Title : **Temporary Administrative and Professional
Staffing Services**

Solicitation Number : **7FCM-N6-030736-B**

Refresh Number : **34**

Created on August 8, 2018

COVER PAGE

NOTICE: The GSA Multiple Award Schedule (MAS) program has recently experienced a tremendous increase in new offers. Due to the large number of new offers currently in process, it could take up to twelve (12) months before your offer is evaluated.

GSA's practice is to evaluate offers in the order in which they are received. However, GSA may give priority to processing certain offers when circumstances dictate, such as when a federal agency Contracting Officer specifically requests an expedited offer review in order to meet a pending requirement that will be procured under the MAS program, or when there is a need for GSA to bring strategically critical new products or services to market in order to meet federal customer needs.

See the "Critical Information for Schedule 736" document attachment which details additional proposal requirements.

Please note that all vendors submitting an offer under this Solicitation must be registered in the System For Award Management (SAM) website and MUST remain active. The SAM website can be accessed at <https://www.sam.gov>.

SCP-FSS-001-N INSTRUCTIONS APPLICABLE TO NEW OFFERORS (APR 2018)

- (a) Read the entire solicitation document prior to preparation of your offer.
- (b) Electronic submission of offers via GSA's eOffer web-based application (<http://eOffer.gsa.gov>) is mandatory.
- (c) Offers must be current, concise, and complete, and demonstrate a thorough understanding of solicitation requirements. By submission of an offer, the offeror attests that there have been no exceptions taken to the terms and conditions of this solicitation unless otherwise explicitly identified as required in eOffer (see "Exceptions to Terms and Conditions" under the Standard Response module).
- (d) If the offeror was previously awarded a Schedule contract that was cancelled or allowed to expire due to low or no sales, a new offer for the same Schedule will not be considered unless a minimum of 12 months have passed since the effective date of the cancellation or the expiration date of the previous contract. Any offer submitted prior to the completion of this 12-month period will be rejected.
- (e) By submission of an offer, the offeror attests that it understands and agrees to comply with the requirements of clause 552.238-74 *Industrial Funding Fee and Sales Reporting*.
- (f) In addition to full compliance with the requirements of this provision (SCP-FSS-001-N), the offeror must also comply with the following provisions, as applicable. Failure to comply with an applicable provision will result in rejection of the offer.

Solicitation provisions and their applicability are detailed below:

- (1) SCP-FSS-002 *Specific Proposal Submission Instructions for Services* – Applies to all offers that propose services, with the exception of offers under Schedule 70.
- (2) SCP-FSS-003 *Specific Proposal Submission Instructions for Products* – Applies to all offers that propose products, with the exception of offers under Schedule 70.
- (3) SCP-FSS-004 *Specific Proposal Submission Instructions for Schedule 70* – Applies only to offers submitted under Schedule 70 - General Purpose Commercial Information Technology Equipment, Software, and Services.
- (4) SCP-FSS-005 *Special Proposal Instructions for Products for Schedule 751* – Applies only to offers submitted under Schedule 751 - Leasing of Automobiles and Light Trucks.
- (5) SCP-FSS-006 *Special Proposal Instructions for Products and Services for Schedule 23V* – Applies only to offers submitted under Schedule 23V - Automotive Superstore.

Offerors proposing both products and services must comply with the requirements of SCP-FSS-002 and SCP-FSS-003. Offers submitted under Schedule 70 are required to comply with SCP-FSS-004 only, regardless of whether products and/or services are offered.

- (g) The following documents must be submitted by all offerors and are detailed in paragraph (j). See SCP-FSS-002, 003, 004, 005, and 006, as applicable, for additional documents that are required based on specific product and service offerings.

- (1) *Pathway to Success* training completion verification,
- (2) Active System for Award Management (SAM) registration verification,
- (3) Small Business Subcontracting Plan (if applicable),
- (4) Commercial Sales Practices (CSP) disclosure.

The offeror must complete and upload the following documents to the eOffer application:

- (1) Readiness Assessment for Prospective Offerors,

- (2) Financial Statements,
- (3) Previous FSS program cancellations and rejections, pending offers for other Schedule contracts, and awarded Schedule contracts,
- (4) Agent Authorization Letter (if applicable),
- (5) Technical Proposal,
- (6) Price Proposal Template,
- (7) Supporting Pricing Documentation,
- (8) Price Narrative,
- (9) Commercial Price List or Market Rate Sheet (if applicable).

(h) **Withdrawal of Offer:** The offeror may withdraw its offer from consideration at any time prior to award or rejection by withdrawing it in eOffer. If an offer is withdrawn, a new offer can be resubmitted at a later date. Information saved from the previous withdrawn offer can be copied over to the new offer, excluding uploaded documents.

(i) The proposal instructions in SCP-FSS-001-N are common to all solicitations. Some Schedules and SINs have additional requirements specific to that particular Schedule or SIN. Please review the solicitation attachments “Read Me First” and/or “Critical Information” for specific Schedule or SIN requirements.

(j) All offerors must comply with the following:

(1) Section I – Administrative/Contract Data

- i. A designated Authorized Negotiator who is also a company officer (i.e., President, CEO, CFO, etc.) must complete (or have completed within one year of the date of offer submission) the *Pathway to Success* training. This free, web-based self-assessment is available through the Vendor Education Center (VEC), which can be accessed directly at <https://gsafas.secure.force.com/MASTrainingHome> or through the Vendor Support Center (<http://vsc.gsa.gov>) by selecting the “Education” tab and then “Pathway to Success.” The training session is less than two hours total and covers the major factors vendors should consider prior to submitting an offer to GSA. eOffer will verify the name of the person that completed the *Pathway to Success* training and the date of completion.
- ii. The offeror must complete and submit the *Readiness Assessment for Prospective Offerors*. This free, web-based self-assessment is available through the Vendor Education Center (VEC), which can be accessed directly at <https://gsafas.secure.force.com/MASTrainingHome> or through the Vendor Support Center (<http://vsc.gsa.gov>) by selecting the “Education” tab and then “Vendor Toolbox (Readiness Assessment).” The Readiness Assessment must be completed by a company officer (i.e., President, CEO, CFO, etc.) and completed/dated within the past one-year period. This tool is designed to assist vendors in determining whether they are ready to pursue a Schedule contract and prepares them to navigate the Schedule proposal process.
- iii. The offeror must be registered with the System for Award Management (SAM) at <http://www.sam.gov>. The information provided must be current, accurate, and complete, and reflect the North American Industrial Classification System (NAICS) code(s) for this solicitation and the SINs proposed. SAM consolidates the information previously contained in the Central Contractor Registration (CCR), Excluded Parties List System (EPLS), and Online Representations and Certifications Application (ORCA) databases.
- iv. The offeror must provide the following, as applicable:
 - (A) A copy of any cancellation letters received within the preceding two-year period for previously awarded Schedule contracts,
 - (B) A copy of any rejection notices received within the preceding two-year period for previously submitted Schedule offers,

(C) If a contract was previously awarded under THIS Schedule, and it was subsequently cancelled or allowed to expire due to low sales, a detailed description of the steps the offeror plans to take to generate sales through a new contract that includes the following:

- 1) A copy of the cancellation letter or notification of determination not to exercise an option,
- 2) Current Federal sales in excess of \$25,000, as evidenced by copies of contractual documents that identify the Federal entity and the date and value of the product or services provided,
- 3) Demonstration that there is a reasonable expectation that any future award will comply with clause I-FSS-639 *Contract Sales Criteria*,
- 4) A marketing plan detailing the steps you plan to take to generate sales through a new GSA Schedule contract.

(D) Information regarding any pending offers under other Schedules, to include the name and phone number of the assigned GSA contract specialist,

(E) Information regarding any currently awarded GSA Schedule contracts, to include the awarded contract number and price list.

v. The offeror must provide financial statements for the previous two-year period (audited, if available). At a minimum, each financial statement must consist of a balance sheet and income statement. GSA will use this information to determine financial responsibility. Provide an explanation for any negative financial information disclosed, including negative equity or income. Offerors may be required to provide letters of credit or other documentation to demonstrate that adequate financial resources are available. In accordance with Federal Acquisition Regulation (FAR) 9.103(a), contracts will only be awarded to responsible prospective contractors. To be determined responsible, an offeror must have adequate financial resources to perform the contract or the ability to obtain them. Note that 1.) submission of a GSA Form 527 does not meet the aforementioned requirements, and 2.) offerors are NOT to submit tax returns.

vi. The offeror must prepare and submit a Small Business Subcontracting Plan, if applicable. The offeror is to complete the Small Business Subcontracting Plan module in eOffer if, pursuant to the applicable NAICS codes and size standards, the offeror is determined to be other than a small business concern for purposes of this solicitation. Large businesses, nonprofit organizations, and educational institutions are advised of the requirement to submit a Small Business Subcontracting Plan as detailed in clause 552.219-72 *Preparation, Submission, and Negotiation of Subcontracting Plans*, incorporated by reference. The Government will review each plan to ensure it is consistent with the provisions of this clause. Subcontracting plans are subject to negotiation, along with the terms and conditions of any contract resulting from this solicitation. The offeror's subcontracting plan must be approved by the contracting officer prior to award. Failure to submit a Small Business Subcontracting Plan when required will result in the rejection of your offer.

Note: GSA's subcontracting goals can be found at the following website:
<https://www.sba.gov/contracting/contracting-officials/goaling>.

vii. Unless otherwise requested, the offeror shall not submit brochures, newsletters, or other marketing materials.

viii. An Agent Authorization Letter must be completed and submitted as part of the offer if a consultant or third-party agent assisted in the preparation of the offer, will be involved in any part of the negotiation of the offer, or will be involved in any post-award actions. The template for the Agent Authorization Letter can be found as an attachment to the solicitation. The Agent Authorization Letter has both pre- and post-award delegations. For any resultant contract, the contractor is responsible for initiating a modification to

ensure all authorized negotiators and delegations are up-to-date (e.g., removing an authorized negotiator that only has pre-award delegations).

(2) Section II – Technical Proposal

The offeror must address the three technical proposal factors below.

i. Factor One - Corporate Experience: The offeror must submit a narrative description of its corporate experience. This narrative cannot exceed two pages and must address the following:

- (A) The number of years of corporate experience in providing the products/services described under this Schedule, regardless of the specific products/services being proposed – a minimum of two (2) years of corporate experience is required,
- (B) Organization's number of employees, experience in the field, and resources available to enable it to fulfill requirements,
- (C) Brief history of the offeror's activities contributing to the development of expertise and capabilities related to this requirement,
- (D) Information that demonstrates the offeror's organizational and accounting controls,
- (E) A description of the resources presently in-house or the ability to acquire the type and kinds of personnel/products proposed,
- (F) A description of how the offeror intends to market the proposed products/services to Federal clients,
- (G) A discussion regarding the intended use of subcontractors.

ii. Factor Two - Past Performance: The offeror must order and obtain a Past Performance Evaluation from Open Ratings, Inc. (ORI). Offerors are responsible for payment to ORI for the Past Performance Evaluation.

- (A) Past Performance Evaluations are valid for a period of one year from the date of issuance by ORI. If the evaluation was issued more than one year prior to the date of proposal submission via eOffer, the proposal will be rejected.
- (B) The order form must be completed with a minimum of six (6) customer references submitted. A "customer reference" is defined as a person or company that has purchased relevant products/services from the offeror. The offeror is advised to use references from projects involving products/services related to this solicitation and/or those performed under NAICS code(s) applicable to proposed products/services.
- (C) The offeror must submit one (1) copy of the completed Past Performance Evaluation and one (1) copy of the order form with its proposal. Failure to submit the completed evaluation and order form will result in rejection of the proposal.
- (D) The offeror must address any negative feedback for each of the feedback categories contained in the ORI report, to include actions taken to minimize the problems that resulted in negative feedback.

iii. Factor Three - Quality Control: The offeror is to submit a single narrative for this factor, regardless of the number of products/services offered. This narrative cannot exceed two (2) pages and must address the following:

- (A) A description of internal review procedures that facilitate high-quality standards,
- (B) Identification of individuals responsible for ensuring quality control,
- (C) Whether or not subcontractors are used and, if so, the quality control measures used to ensure acceptable subcontractor performance,
- (D) How potential problem areas and solutions are handled,
- (E) The procedures for ensuring quality performance when meeting urgent requirements,
- (F) How quality control will be managed when completing multiple projects for multiple agencies simultaneously.

(3) Section III – Price Proposal

i. GSA's pricing goal is to obtain equal to or better than the offeror's Most Favored Customer (MFC) pricing under the same or similar terms and conditions. GSA seeks to obtain the offeror's best price based on its evaluation of discounts, terms, conditions, and concessions offered to commercial customers. However, offers that propose Most Favored Customer pricing but are not highly competitive will not be determined fair and reasonable and will not be accepted. The U.S. Government Accountability Office has specifically recommended that "the price analysis GSA does to establish the Government's MAS negotiation objective should start with the best discount given to any of the vendor's customers."

ii. Submit proposed pricing using the attached Price Proposal Template. The Price Proposal Template MUST be submitted in Microsoft Office Excel format. The proposed pricing structure must be consistent with the offeror's commercial practices. Pricing must be clearly identified as based either on a "Commercial Price List" or a "Commercial Market Price," as defined in FAR 2.101 (see "Catalog Price" and "Market Prices" under the definition of "Commercial Item").

(A) If the MFC is a Federal agency, but sales exist to commercial customers, identify which, if any, of the commercial customers receive the offeror's best price. This will allow the Government to establish a "basis of award" customer in accordance with paragraph (a) of clause 552.238-75 *Price Reductions*.

(B) Proposed prices must include the 0.75% Industrial Funding Fee (IFF) (see contract clause 552.238-74 *Industrial Funding Fee and Sales Reporting*). This fee will be included in the awarded prices and reflected in the total amount charged to ordering activities.

iii. Provide supporting documentation for EACH proposed product/service price. Supporting pricing documentation may consist of published and publicly-available commercial catalogs/price lists, copies of invoices, contracts, quote sheets, etc., and must be submitted with the offer. There must be a clear and relevant relationship between the supporting document and the proposed price it is meant to substantiate. Each supporting document must be clearly labeled with the name of the corresponding proposed product/service.

iv. The offeror must submit a detailed price narrative containing sufficient information for each of the products/services offered to enable the contracting officer to determine that offered prices are fair and reasonable. For example, if a price offered to GSA is not equal to or better than the price offered to the offeror's designated Most Favored Customer, the narrative must explain the rationale for proposing such a price in a manner sufficient to enable the contracting officer to determine that the rate is fair and reasonable. Any deviation from the offeror's commercial sales practices must be explained, including the specific circumstances and frequency of the deviations.

The offeror must also propose a mechanism for future price adjustments, as detailed below:

(A) If pricing proposed in the Price Proposal Template is based on a commercial price list, submit a copy of the company's current, dated price list, catalog, or standard rate sheet (note that this must be an existing, standalone document, and not prepared for purposes of this solicitation). Future price adjustments for pricing based on a commercial price list are subject to clause 552.216-70 *Economic Price Adjustment – Multiple Award Schedule Contracts*.

OR

(B) If pricing proposed in the Price Proposal Template is based on commercial market prices, future price adjustments are subject to clause I-FSS-969 *Economic Price Adjustment – FSS Multiple Award Schedule*. The offeror must either propose a fixed annual escalation rate or identify a relevant market indicator (e.g., the Bureau of Labor Statistics Employment Cost Index).

v. Travel will be handled in accordance with clause C-FSS-370 *Contractor Tasks/Special Requirements*. Costs for transportation, lodging, meals and incidental expenses are allowable subject to the limitations contained in the Federal Travel Regulations and/or Joint Travel Regulations. These costs should not be included in proposed prices, as they are to be coordinated at the order level.

vi. Complete the Commercial Sales Practices Format (CSP-1) in eOffer in accordance with instructions provided. Provide a rationale for the given estimate of GSA contract annual sales.

(k) Raising the Bar

In an effort to raise standards under the FSS program, the following requirements have been highlighted in all solicitations and are relevant to this Schedule, as applicable:

(1) AbilityOne Program Products

The AbilityOne Program is a Federal procurement program that generates jobs for individuals who are blind or have another significant disability. In order to distribute AbilityOne products, a vendor must be an authorized AbilityOne Program distributor as designated by the U.S. AbilityOne Commission.

Certain commercial products are considered “essentially the same” (ETS) as AbilityOne products. Because AbilityOne products are mandatory purchases for Federal customers, the offeror is required to remove any ETS items from its FSS proposal. This applies only to the following Schedules: 73 - Food Service, Hospitality, Cleaning Equipment and Supplies, Chemicals and Services; 75 - Office Products/Supplies and Services and New Products/Technology; 51V - Hardware Superstore; and 70 - General Purpose Commercial Information Technology Equipment, Software, and Services.

For more information on the AbilityOne Program, ETS products, and becoming an authorized AbilityOne distributor, please visit www.abilityone.gov/, or contact Mr. Mike Jurkowski at mjurkowski@abilityone.gov/ 703-603-2117.

(2) Manufacturer Part Number and Universal Product Code Data

Manufacturer Part Number (MPN) data must be submitted for all products. The offeror must ensure that the MPN for each proposed product reflects the actual number assigned. Universal Product Code Type A (UPC-A) data must also be submitted for all products for which this information is commercially available. If MPN (and UPC-A data, if commercially available) is submitted incorrectly or not submitted, the associated product may not be awarded.

(3) Frustrated Freight (applicable only to overseas delivery)

The offeror must maintain an order tracking system that permits ordering agencies to track the location of an order at any time, from the moment the order is shipped, to the point of delivery and acceptance. The offeror must also demonstrate understanding of orders bound for an international end-point delivery by providing a sample electronic version of a label appropriately marked in accordance with the FED-STD-123 and MIL-STD-129 edition in effect as of the date of solicitation issuance. An offer for OCONUS delivery will not be accepted if the offer does not demonstrate a proper tracking system and provide a sample packaging label for international delivery.

(4) Full-Product and Broad-Service Offerings

The offeror must provide a full and broad array of proposed products/services. An offer will not be accepted with limited product/service offerings unless it represents a total solution for the proposed SINs.

(5) Fair and Reasonable Pricing

To determine fair and reasonable pricing, the GSA contracting officer may consider many factors, including pricing on competitor contracts, historical pricing, and currently available pricing in other venues. Offers that propose Most Favored Customer pricing but are not highly competitive will not be determined fair and reasonable and will not be accepted.

**SCP-FSS-001-S INSTRUCTIONS APPLICABLE TO SUCCESSFUL
FSS PROGRAM CONTRACTORS (APR 2018)**

(1) The contractor has an existing FSS program contract under this Schedule and is submitting a new offer for the same SINs.

(2) Sales under the existing contract have averaged a minimum of \$25,000 per year for the previous five years of reported sales.

(3) There is a demonstrated pattern of satisfactory past performance under the existing contract.

(c) Electronic submission of offers via GSA's eOffer web-based application (<http://eOffer.gsa.gov>) is mandatory.

(d) Offers must be current, concise, and complete, and demonstrate a thorough understanding of solicitation requirements. (e) By submission of an offer, the offeror attests that it understands and agrees to comply with the requirements of clause 552.238-74 *Industrial Funding Fee and Sales Reporting*.

(f) In addition to full compliance with the requirements of this provision (SCP-FSS-001-S), the offeror must also comply with the following provisions, as applicable. Failure to comply with an applicable provision will result in rejection of the offer.

(1) SCP-FSS-002 *Specific Proposal Instructions for Services* – Applies to all offers that propose services, with the exception of Schedule 70. The offeror must comply with all requirements under this provision with the exception of (d)(2) Section II - Technical Proposal (Factor Four - Relevant Project Experience), which is not applicable to streamlined offers.

(2) SCP-FSS-003 *Specific Proposal Instructions for Products* – Applies to all offers that propose products, with the exception of Schedule 70. The offeror must comply with all requirements under this provision.

(3) SCP-FSS-004 *Specific Proposal Instructions for Schedule 70* – Applies only to offers submitted under Schedule 70 - General Purpose Commercial Information Technology Equipment, Software, and Services. The offeror must comply with all requirements under this provision with the exception of (d) Section II - Technical Proposal (Factor Four - Relevant Project Experience), which is not applicable to streamlined offers.

(4) SCP-FSS-005 *Special Proposal Instructions for Products for Schedule 751* – Applies only to offers submitted under Schedule 751 - Leasing of Automobiles and Light Trucks. The offeror must comply with all requirements under this provision.

Offerors proposing both products and services must comply with the streamlined requirements of SCP-FSS-002 and SCP-FSS-003, as detailed above. Offers submitted under Schedule 70 are required to comply with the streamlined requirements of SCP-FSS-004 only, regardless of whether products and/or services are offered.

(g) The following documentation requirements are completed directly through the eOffer application:

- (1) Active System for Award Management (SAM) registration verification,
- (2) Small Business Subcontracting Plan (if applicable),
- (3) Commercial Sales Practices (CSP) disclosure.

The offeror must complete and upload the following documents to the eOffer application:

- (1) Previous FSS cancellations and rejections, pending offers for other Schedule contracts, and awarded Schedule contracts,
- (2) Agent Authorization Letter (if applicable),
- (3) Technical Proposal,
- (4) Price Proposal Template,
- (5) Supporting Pricing Documentation,
- (6) Price Narrative,
- (7) Commercial Price List or Market Rate Sheet (if applicable).

(h) **Withdrawal of Offer:** The offeror may withdraw its offer from consideration at any time prior to award or rejection by withdrawing it in eOffer. If an offer is withdrawn, a new offer can be resubmitted at a later date. Information saved from the previous withdrawn offer can be copied over to the new offer, excluding uploaded documents.

(i) The streamlined proposal instructions in SCP-FSS-001-S are common to all solicitations. Some Schedules and SINs have additional requirements specific to that particular Schedule or SIN. Please review the solicitation attachments “Read Me First” and/or “Critical Information” for specific Schedule or SIN requirements.

(j) All offerors must comply with the following:

- (1) **Section I – Administrative/Contract Data**

(i.) The offeror must be registered with the System for Award Management (SAM) at <http://www.sam.gov>. The information provided must be current, accurate, and complete, and reflect the North American Industrial Classification System (NAICS) code(s) for this solicitation and the SINs proposed. SAM consolidates the information previously contained in the Central Contractor Registration (CCR), Excluded Parties List System (EPLS), and Online Representations and Certifications Application (ORCA) databases.

(ii.) The offeror must provide the following, as applicable:

(A) A copy of any cancellation letters received within the preceding two-year period for previously awarded Schedule contracts,

(B) A copy of any rejection notices received within the preceding two-year period for previously submitted Schedule offers,

(C) Information regarding any pending offers under other Schedules, to include the name and phone number of the assigned GSA contract specialist,

(D) Information regarding any currently awarded GSA Schedule contracts, to include the awarded contract number and price list.

(iii.) The offeror must prepare and submit a Small Business Subcontracting Plan, if applicable. The offeror is to complete the Small Business Subcontracting Plan module in eOffer if, pursuant to the applicable NAICS codes and size standards, the offeror is determined to be other than a small business concern for purposes of this solicitation. Large businesses, nonprofit organizations, and educational institutions are advised of the requirement to submit a Small Business Subcontracting Plan as detailed in clause 552.219-72 *Preparation, Submission, and Negotiation of Subcontracting Plans*, incorporated by reference. The Government will review each plan to ensure it is consistent with the provisions of this clause. Subcontracting plans are subject to negotiation, along with the terms and conditions of any contract resulting from this solicitation. The offeror's subcontracting plan must be approved by the contracting officer prior to award. Failure to submit a Small Business Subcontracting Plan when required will result in the rejection of your offer. Note: GSA's subcontracting goals can be found at the following website: <https://www.sba.gov/contracting/contracting-officials/goaling>.

(iv.) Unless otherwise requested, the offeror shall not submit brochures, newsletters, or other marketing materials.

(v.) An Agent Authorization Letter must be completed and submitted as part of the offer if a consultant or third-party agent assisted in the preparation of the offer, will be involved in any part of the negotiation of the offer, or will be involved in any post-award actions. The template for the Agent Authorization Letter can be found as an attachment to the solicitation. The Agent Authorization Letter has both pre- and post-award delegations. For any resultant contract, the contractor is responsible for initiating a modification to ensure all authorized negotiators and delegations are up-to-date (*e.g.*, removing an authorized negotiator that only has pre-award delegations).

(2) Section II – Technical Proposal

The two technical proposal factors are below. The offeror is required to address Quality Control. The submission of data in support of Past Performance is optional.

(i.) **Quality Control:** The offeror is to submit a single narrative for this factor, regardless of the number of products/services offered. This narrative cannot exceed two (2) pages and must address the following:

(A) A description of internal review procedures that facilitate high-quality standards,

(B) Identification of individuals responsible for ensuring quality control,

(C) Whether or not subcontractors are used and, if so, the quality control measures

used to ensure acceptable subcontractor performance,

(D) How potential problem areas and solutions are handled,

(E) The procedures for ensuring quality performance when meeting urgent requirements,

(F) How quality control will be managed when completing multiple projects for multiple agencies simultaneously.

(ii.) Past Performance: The offeror is not required to address this factor, as past performance will be evaluated based on existing information available to the contracting officer. The offeror may submit relevant past performance references if desired but is not required to. If submitting relevant past performance references please include point of contact information for each.

(3) Section III - Price Proposal

(i.) GSA's pricing goal is to obtain equal to or better than the offeror's Most Favored Customer (MFC) pricing under the same or similar terms and conditions. GSA seeks to obtain the offeror's best price based on its evaluation of discounts, terms, conditions, and concessions offered to commercial customers. However, offers that propose Most Favored Customer pricing but are not highly competitive will not be determined fair and reasonable and will not be accepted. The U.S. Government Accountability Office has specifically recommended that "the price analysis GSA does to establish the Government's MAS negotiation objective should start with the best discount given to any of the vendor's customers."

(ii.) Submit proposed pricing using the attached Price Proposal Template. The Price Proposal Template MUST be submitted in Microsoft Office Excel format. The proposed pricing structure must be consistent with the offeror's commercial practices. Pricing must be clearly identified as based either on a "Commercial Price List" or a "Commercial Market Price," as defined in FAR 2.101 (see "Catalog Price" and "Market Prices" under the definition of "Commercial Item").

(A) If the MFC is a Federal agency, but sales exist to commercial customers, identify which, if any, of the commercial customers receive the contractor's best price.

(B) Proposed prices must include the 0.75% Industrial Funding Fee (IFF) (see contract clause 552.238-74 *Industrial Funding Fee and Sales Reporting*). This fee will be included in the awarded prices and reflected in the total amount charged to ordering activities.

(iii.) Provide supporting documentation for EACH proposed product/service price. Supporting pricing documentation may consist of published and publicly available commercial catalogs/price lists, copies of invoices, contracts, quote sheets, *etc.*, and must be submitted with the offer. There must be a clear and relevant relationship between the supporting document and the proposed price it is meant to substantiate. Each supporting document must be clearly labeled with the name of the corresponding proposed product/service.

(iv.) The offeror must submit a detailed price narrative containing sufficient information for each of the products/services offered to enable the contracting officer to determine that offered prices are fair and reasonable. For example, if a price offered to GSA is not equal to or better than the price offered to the offeror's designated Most Favored Customer, the narrative must explain the rationale for proposing such a price in a manner sufficient to enable the contracting officer to determine that the rate is fair and reasonable. Any deviation from the offeror's commercial sales practices must be explained, including the specific circumstances and frequency of the deviations.

The offeror must also propose a mechanism for future price adjustments, as detailed

below:

(A) If pricing proposed in the Price Proposal Template is based on a commercial price list, submit a copy of the company's current, dated price list, catalog, or standard rate sheet (note that this must be an existing, standalone document, and not prepared for purposes of this solicitation). Future price adjustments for pricing based on a commercial price list are subject to clause 552.216-70 *Economic Price Adjustment – Multiple Award Schedule Contracts*.

OR

(B) If pricing proposed in the Price Proposal Template is based on commercial market prices, future price adjustments are subject to clause I-FSS-969 *Economic Price Adjustment – FSS Multiple Award Schedule*. The offeror must either propose a fixed annual escalation rate or identify a relevant market indicator (e.g., the Bureau of Labor Statistics Employment Cost Index).

(v.) Travel will be handled in accordance with clause C-FSS-370 *Contractor Tasks/Special Requirements*. Costs for transportation, lodging, meals and incidental expenses are allowable subject to the limitations contained in the Federal Travel Regulations and/or Joint Travel Regulations. These costs should not be included in proposed prices, as they are to be coordinated at the order level.

(vi.) Complete the Commercial Sales Practices Format (CSP-1) in eOffer in accordance with the instructions provided. Provide a rationale for the given estimate of GSA contract annual sales.

(k) Raising the Bar

In an effort to raise standards under the FSS program, the following requirements have been highlighted in all solicitations and are relevant to this Schedule, as applicable:

(1) AbilityOne Program Products

The AbilityOne Program is a Federal procurement program that generates jobs for individuals who are blind or have another significant disability. In order to distribute AbilityOne products, a vendor must be an authorized AbilityOne Program distributor as designated by the U.S. AbilityOne Commission.

Certain commercial products are considered “essentially the same” (ETS) as AbilityOne products. Because AbilityOne products are mandatory purchases for Federal customers, the offeror is required to remove any ETS items from its FSS proposal. This applies only to the following Schedules: 73 - Food Service, Hospitality, Cleaning Equipment and Supplies, Chemicals and Services; 75 - Office Products/Supplies and Services and New Products/Technology; 51V -Hardware Superstore; and 70 - General Purpose Commercial Information Technology Equipment, Software, and Services.

or more information on the AbilityOne Program, ETS products, and becoming an authorized AbilityOne distributor, please visit www.abilityone.gov/, or contact Mr. Mike Jurkowski at mjurkowski@abilityone.gov/ 703-603-2117.

(2) Manufacturer Part Number and Universal Product Code Data

Manufacturer Part Number (MPN) data must be submitted for all products. The offeror must ensure that the MPN for each proposed product reflects the actual number assigned. Universal Product Code Type A (UPC-A) data must also be submitted for all products for which this information is commercially available. If MPN (and UPC-A data, if commercially available) is submitted incorrectly or not submitted, the associated product may not be awarded.

(3) Frustrated Freight (applicable only to overseas delivery)

The offeror must maintain an order tracking system that permits ordering agencies to track the location of an order at any time, from the moment the order is shipped, to the point of delivery and acceptance. The offeror must also demonstrate understanding of orders bound for an international end-point delivery by providing a sample electronic version of a label appropriately marked in accordance with the FED-STD-123 and MIL-STD-129 edition in effect as of the date of solicitation issuance. An offer for OCONUS delivery will not be accepted if the offer does not demonstrate a proper tracking system and provide a sample packaging label for international delivery.

(4) Full-Product and Broad-Service Offerings

The offeror must provide a full and broad array of proposed products/services. Offers will not be accepted with limited product/service offerings unless it represents a total solution for the proposed SINs.

(5) Fair and Reasonable Pricing

To determine fair and reasonable pricing, the GSA contracting officer may consider many factors, including pricing on competitor contracts, historical pricing, and currently available pricing in other venues. Offers that propose Most Favored Customer pricing but are not highly competitive will not be determined fair and reasonable and will not be accepted.

SCP-FSS-002 SPECIFIC PROPOSAL INSTRUCTIONS FOR SERVICES (FEB 2016)

- (a) Read the entire solicitation document prior to preparation of an offer.
- (b) The Offeror must comply with the instructions outlined in either SCP-FSS-001-N *Instructions Applicable to New Offerors* or SCP-FSS-001-S *Instructions Applicable to Successful FSS Program Contractors*, as applicable.
- (c) The proposal instructions in SCP-FSS-002 are common to all solicitations that include services (except Schedule 70). Some Schedules and SINs have additional requirements specific to that particular Schedule or SIN. Please review the solicitation attachments “Read Me First” and “Critical Information” for additional information, requirements, and terms and conditions specific to a particular Schedule or SIN.
- (d) Offerors proposing services must also comply with the following:

(1) Section I Administrative/Contract Data –

- (i) Complete the Summary of Offer document.

(2) Section II Technical Proposal

The Offeror must address a fourth technical factor as described below:

- (i) Factor Four – Relevant Project Experience: The Offeror must submit a narrative demonstrating relevant project experience. A narrative is required for each proposed services SIN and must include the following:

(A) A description of two (2) relevant projects, not to exceed four (4) pages per project. Each description must clearly indicate the SIN to which it applies, and identify the specific services being proposed under that SIN. The projects must either have been completed within the last two years or be ongoing. For ongoing contracts with a base year and option years, at a minimum, the base year must have been completed; for multiyear task orders, at a minimum, the first year must have been completed.

Each project description must also address the following elements:

- 1) Detailed description of SIN-relevant work performed and results achieved
- 2) Methodology, tools, and/or processes utilized in performing the work
- 3) Demonstration of compliance with any applicable laws, regulations, Executive Orders, OMB Circulars, professional standards, etc.
- 4) Project schedule (i.e., major milestones, tasks, deliverables), including an explanation of any delays
- 5) How the work performed is similar in scope and complexity to the work solicited under the proposed SIN
- 6) Demonstration of required specific experience and/or special qualifications detailed under the proposed SIN.

The Offeror may use the same project in support of more than one SIN as long as the description clearly identifies the SIN-relevant work. All examples of completed services must have been deemed acceptable by the customer.

(B) For each project description, the following customer reference information must also be provided (this data is not counted towards the four-page-per-project limitation):

- (1) Customer/client name
- (2) Project name/contract number
- (3) Customer point of contact for project
- (4) Point of contact phone number and email
- (5) Project performance period (include months/years)
- (6) Dollar value of the entire project
- (7) Dollar value received for the work performed relevant to the SIN offered
- (8) Brief summary of the project as a whole (background, purpose, etc.)
- (9) A copy of the Statement of Work for the project

(C) If relevant project experience does not exist, the Offeror may substitute the relevant projects of predecessor companies or key personnel that will be performing major aspects of the work. If the Offeror chooses to make such a substitution, the narratives must clearly identify the entity or personnel that performed the services.

Note: Project Experience substitutions are not allowed for Schedule 84 Total Solutions for Law Enforcement, Security, Facility Management, Fire, Rescue, Clothing, Marine Craft and Emergency/Disaster Response.

(3) Section III Price Proposal:

(i) Offeror must address additional pricing requirements as described below: The Offeror has the option to propose separate rates for "domestic" versus "overseas" and/or "customer facility" versus "contractor facility" if there are variations in costs that depend on where the work is performed. Rates proposed in this manner must be clearly labeled as such and supported through the submission of supporting price documentation.

1. For each proposed labor category, the Offeror must provide a detailed position description. Position descriptions must include functional responsibilities, minimum years of experience, minimum educational/degree requirements, and any applicable training or certification requirements. If it is the Offeror's standard commercial practice to substitute experience for education, explain the methodology in use (*e.g.*, five years experience equates to a BA/BS degree). Once the contract is awarded, these descriptions will become part of the Authorized Federal Supply Schedule Price List. It is the responsibility of the offeror to post the approved descriptions to GSA *Advantage!*®.

2. Proposed prices must represent fully-burdened rates inclusive of all cost factors (e.g., direct labor, indirect labor, G&A, profit, and IFF).

(ii) The Offeror must submit a Professional Compensation Plan in accordance with clause 52.222-46 *Evaluation of Compensation for Professional Employees*. Individual compensation disclosure is not required. Submission of the general compensation practices printed in the Offeror's employee handbook is often sufficient.

(iii) The Offeror must submit a copy of its policy that addresses uncompensated overtime, in accordance with clause 52.237-10 *Identification of Uncompensated Overtime*.

(iv) Service Contract Act: Applicable to this solicitation (Service Contract Act 52.222-41, and related clauses 52.222-42, 52.222-43, and 52.222-49)

1. The Service Contract Act (SCA) applies to all nonprofessional services to be provided under this Schedule except for any pricing offered for services outside of the United States. The SCA index of applicable wage determinations for this solicitation and resultant contract are shown in FedBizOpps document, "SCA Index of Wage Determinations." The full-text version of each wage determination can be viewed at www.wdol.gov. Some of the proposed labor categories may be subject to the SCA (usually nonprofessional categories). As such, the Offeror should verify that its proposed base rates and fringe benefit rates for these labor categories meet or exceed the SCA wage determination rates and fringe benefits for the areas included in the geographic scope of the contract (i.e., nationwide); the Offeror will be required to comply with applicable SCA wage determination rates and fringe benefits regardless of the price proposed and awarded on any resultant Schedule contract. The Offeror may be required to submit supporting documentation for the proposed rates that will allow the contracting officer to conduct cost analysis to determine that offered prices are fair and reasonable.

2. Schedule contractors must comply with the base rate and fringe benefit rate requirements of the prevailing rate SCA Wage Determination (WD) Revision Number currently incorporated into the GSA Schedule contract. No prevailing rate WD may be incorporated into a task order as the order may then be in conflict with the Schedule contract terms and conditions. However, WDs based on collective bargaining agreements (CBAs) may be incorporated into a task order if the task order is found to be a successor contract as used in FAR Subpart 22.10; a CBA WD would be applicable only to the task order it is incorporated into and no other orders under that Schedule contract.

3. In the price proposal, indicate which proposed labor categories are subject to the SCA by placing a double asterisk (**) next to the labor category name.

4. The following paragraph is meant to be instructive and NOT to be copied as part of proposed Schedule pricing:

For all the Offeror's identified SCA-eligible labor categories, map them to the SCA-equivalent labor category title (titles/descriptions available at <http://www.wdol.gov> - click on the "library" link, then download the SCA Directory of Occupations, 5th Edition). Also identify the WD# that the labor categories in your offer are predicated on. Note that the applicable revision number for any Wage Determination number is the revision number identified in the solicitation index of wage determinations.

5. There are two possible strategies for determining price adjustments under SCA-eligible labor categories. All price adjustments under SCA-eligible labor categories shall be in accordance with clause 52.222-43.

52.222-43 Fair Labor Standards Act and Service Contract Act Price Adjustment (Multiple Year and Option Contracts). Price adjustments for SCA-applicable labor categories shall be in accordance with clause 52.222-43 *Fair Labor Standards Act and Service Contract Act Price Adjustment (Multiple*

Year and Option Contracts). When a modification is issued to all contract holders incorporating a revised index of wage determinations, contractors shall notify the contracting officer of any increase/decrease claimed under clause 52.222-43 within 30 calendar days after receipt of the modification.

In addition to clause 52.222-43, one of the following two methods of escalation will be awarded.

Method 1: An escalation method is negotiated prior to award in accordance with the clause I-FSS-969 *Economic Price Adjustment - FSS Multiple Award Schedule*, utilizing any of the methods available in the solicitation under that clause.

OR

Method 2: When the offered prices are based upon a commercial price list, only revisions in the commercial price list will enable the contractor to revise Schedule contract prices. Schedule contract price increases will be allowed only in accordance with clause 552.216-70 *Economic Price Adjustment - FSS Multiple Award Schedule Contracts*.

Regardless of the method used, the contractor must ensure that within 30 calendar days after the effective date of any contract modification to revise pricing based on changes in the applicable wage determination(s), the contractor's electronic catalog is updated on GSA *Advantage!*®.

Note 1: The contractor will not automatically be allowed an increase in prices based solely on new wage determinations.

Note 2: Reference Code of Federal Regulations, Title 29, Labor, Subtitle A Office of the Secretary of Labor, Part 4 Labor Standards for Federal Service Contracts, Subpart D Compensation Standards, paragraph 4.161 Minimum monetary wages under contracts exceeding \$2,500, which states: "No change in the obligation of the contractor or subcontractor with respect to minimum wages will result from the mere fact that higher or lower wage rates may be determined to be prevailing for such employees in the locality after the award and before completion of the contract."

6. Utilize the following spreadsheet format (labor categories shown are for example purposes):

SCA Matrix		
SCA Eligible Contract Labor Category	SCA Equivalent Code Title	WD Number
Secretary	01115 General Clerk I	052059
Driver	31361 Truck driver, Light Truck	052059
Engineering Technician	29081 Engineering Technician I	052059
Administrative Assistant	01011 Accounting Clerk I	052059

7. Insert the following language below the above SCA matrix and insert both (matrix and language) at the end of the proposed GSA price list.

"The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable labor categories. The prices for the indicated (**) SCA labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCA matrix. The prices awarded are in line with the geographic scope of the contract (i.e. nationwide). "

Part I - GOODS & SERVICES

NOTICE: The GSA Multiple Award Schedule (MAS) program has recently experienced a tremendous increase in new offers. Due to the large number of new offers currently in process, it could take up to twelve (12) months before your offer is evaluated.

GSA's practice is to evaluate offers in the order in which they are received. However, GSA may give priority to processing certain offers when circumstances dictate, such as when a federal agency Contracting Officer specifically requests an expedited offer review in order to meet a pending requirement that will be procured under the MAS program, or when there is a need for GSA to bring strategically critical new products or services to market in order to meet federal customer needs.

SCOPE OF SCHEDULE 736. TEMPORARY ADMINISTRATIVE AND PROFESSIONAL STAFFING (TAPS) SERVICES

OVERVIEW:

Under the GSA Schedules Program (also referred to as Multiple Award Schedules and Federal Acquisition Schedules), GSA establishes long-term government-wide contracts with commercial firms to provide access to over four million commercial services and products. These can be ordered directly from GSA Schedule contractors or through the GSA Advantage! On-line shopping and ordering system.

PURPOSE:

The purpose of this Multiple Award Schedule 736 for Temporary Administrative and Professional Staffing (TAPS) Services is intended to provide Federal agencies with a temporary solution i.e. staff augmentation, which would allow agencies to quickly respond to changing staffing requirements that arise when critical projects temporarily warrant more assistance or when key staff members are unavailable for work due to emergency, accident, illness, family responsibilities, jury services, etc. Services furnished by temporary help firms shall be performed by their employees who shall not be considered or treated as Federal employees for any purpose, shall not be regarded as performing personal service, and shall not be eligible for civil service employee benefits, including retirement. Positions can be filled for an initial 120 workday basis with the ability to extend for an additional 120 days, not to exceed 240 days. Examples of positions that may be filled using this schedule include, but are not limited to the following: administrative assistant, personal computer support technician, fork lift operator, library aide/clerk, engineering technician, etc.

SCOPE OF SERVICES:

This solicitation is for commercial temporary, administrative and professional staffing services to be provided on a temporary or contingent basis (Task Orders are not to exceed 240 workdays). The Government contemplates award to private sector temporary help service establishments. A temporary help service firm is a private sector entity which quickly provides other organizations with specific services performed by its pool of employees, possessing the appropriate work skills, for brief or intermittent periods. For this solicitation, the NAICS Code is 561320 Temporary Help Services.

SERVICE CONTRACT ACT

Non-professional positions proposed under this solicitation shall be subject to the Service Contract Act. Regulations regarding the payment of benefits (i.e., health and welfare, holiday and vacation) along with all other regulations for administration of payroll, wages, overtime, etc., are under the Code of Federal Regulations, CFR Title 29 Labor, PART 4--LABOR STANDARDS FOR FEDERAL SERVICE CONTRACTS. Proposal submitted under this solicitation, which contain non-professional positions will be subject to all of the provisions of the Service Contract Act as shown in the Code of Federal Regulations and the Act itself. The Code of Federal Regulations is on line at <http://www.access.gpo.gov/nara/cfr/cfr-table-search.html>. Offerors are highly encouraged to review Part 4 of the CFR in its entirety before preparing a proposal under this solicitation.

PERSONAL SERVICES

Contracts awarded under this schedule will not be for personal services. Agencies shall only provide technical, task-related instructions to private sector temporaries sufficient for them to properly perform their services under the contract in order to ensure that an employer/employee relationship does not exist. See FAR Part 37 for more details.

Performance under this contract will be by individuals provided by a private sector firm. The Contractor, and not the U.S. Government, is the legal responsible employer of the employees performing under this contract and maintains that relationship during the time its employees are assigned to a client. The firm, not the client organization, recruits, tests, hires, trains, assigns, pays, provides benefits and leave to, and as necessary, addresses performance problems, disciplines, and terminates its employees. Among other employer obligations, the firm is responsible for payroll deductions and payment of income taxes, social security (FICA), unemployment insurance, and workers' compensation, and shall provide required liability insurance and bonding.

RECRUITMENT

The Government will not use the procurement of temporary help for purposes of recruiting or obtaining candidates for employment by itself or by any other entity, and the Government will not give any Contractor employee under this procurement any encouragement, assistance or opportunity in obtaining employment that is not provided to the general public.

As shown in the Schedule of Items section, Geographic Coverage Requirements, Contractors are required to show area(s) they wish to service. Periodic adjustments to the rates are subject to clauses 552.216-70 (Economic Price Adjustment FSS Multiple Award Schedule Contracts) (Alternate I), 52.222-43 Fair Labor Standards Act and Service Contract Act - Price Adjustment (Multiple Year and Option Contracts), I-FSS-969 ECONOMIC PRICE ADJUSTMENTS FSS MULTIPLE AWARD SCHEDULE (JAN 2002) and 552.238-75 (Price Reductions).

NOTE 1: Personal Services Contracts as defined in FAR 37.101 and FAR 37.104 are strictly prohibited. Agencies are prohibited from utilizing service contracts to augment government staff. A contractor is equally prohibited from knowingly offering to supplement government staff by engaging in a personal services contract/task order.

NOTE 2: Architect-Engineering (A/E) Services as that term is defined in FAR 36.601-4 are excluded from the Schedules Program. If the agency's statement of work, substantially or to a dominant extent, specifies performance or approval by a registered licensed architect or engineer for services related to real property, the Brooks Architect-Engineers Act applies and such services must be procured in accordance with FAR Part 36. Use of this schedule for Brooks Act architectural or engineering services is not authorized.

The Contractor shall initiate work only when directed by a Task Order and which has been signed by a Contracting Officer from the ordering agency.

ORDERING PROCEDURES FOR SERVICES:

Orders placed against a GSA Multiple Award Schedule (MAS) contract, using the procedures under Federal Acquisition Regulation (FAR) 8.4, are considered to be issued under full and open competition (see FAR 6.102(d)(3)). Ordering offices do not need to seek further competition, synopsise the requirement, or make a separate determination of fair and reasonable pricing. By placing an order against a GSA Schedule contract using the procedures in this section, the ordering office has concluded that the order represents the best value and results in the lowest overall cost alternative to meet the government's needs.

OTHER PERTINENT INFORMATION RELEVANT TO TEMPORARY SERVICES

Note: The Code of Federal Regulations (CFR) contains regulatory restrictions on the use of private sector temporaries by Federal agencies.

OFFICE OF PERSONNEL MANAGEMENT (OPM) REGULATIONS ON THE USE OF PRIVATE SECTOR TEMPORARIES

Conditions for use:

An agency may use private sector temporary help when one of the following short-term situations exists:

1. An employee is absent for a temporary period because of a personal need including emergency, accident, illness, parental or family responsibilities or mandatory jury service.
2. An agency must carry out work for a temporary period that cannot be delayed in the judgment of the agency because of a critical need.

These services shall not be used:

1. In lieu of the regular recruitment and hiring procedures under the civil service laws for permanent appointment in the competitive civil service.
2. To displace a Federal employee.
3. To circumvent controls on employment levels.
4. In lieu of appointing a surplus or displaced Federal employee as required by 5 CFR part 330, subpart F (Agency Career Transition Assistance Plan for Displaced Employees) and subpart G (Interagency Career Transition Assistance Plan for Displaced Employees).

Time limitations:

An agency may use a temporary help service firm(s) in a single situation, as defined in 5 CFR part 300.504, initially for no more than 120 workdays. Provided the situation continues to exist beyond the initial 120 workdays, the agency may extend its use of temporary help services up to the maximum limit of 240 workdays.

An individual employee of any temporary help firm may work at a major organizational element (headquarters or field) of an agency for up to 120 workdays in a 24-month period. The 24-month period begins on the first day of assignment. An agency may make an exception for an individual to work up to a maximum of 240 workdays only when the agency has determined that using the services of the same individual for the same situation will prevent significant delay.

Facility Closure: Federal agencies should not pay temporary employees for services not rendered. Example of this would be if the Federal Facility which the temporary employee is scheduled to is closed, i.e. bad weather, executive leave granted etc.

See 5 CFR part 300, and the May 2, 1996 Federal Register for complete compliance requirements. Web Site for Code of Federal Regulations: <http://www.access.gpo.gov/nara/cfr/cfr-table-search.html>

Overseas Differential Pay (Reference the following websites:

http://aoprals.state.gov/content.asp?content_id=231&menu_id=78 or

http://aoprals.state.gov/content.asp?content_id=134&menu_id=75

The purpose of this provision is to describe how overseas differential pay will be handled on any task orders issued pursuant to Federal Supply Schedule contracts for services. Definition: Overseas differential pay includes many types of allowances, including Post (Cost of Living) Allowance, Post (Hardship) Differential, Living Quarter Allowance, Education Allowance, Foreign Per Diem, and Danger Pay Allowance. Contractor personnel may be required to perform services in areas designated by the Department of State as Danger Pay or Hardship Posts for a variety of reasons, including contingency operations, humanitarian or peacekeeping operations, military exercises and/or operations, or diplomatic missions.

The Department of State's Standardized Regulations (DSSR) provides the regulations governing allowances, differentials (i.e. Hardship Post and/or Danger Pay) and definitions for all designated areas for all U.S.

Government civilian employees. The DSSR provides for additional compensation for service in foreign locations where conditions of environment differ so substantially from conditions of environment in the continental U.S. that additional compensation is warranted and necessary as a recruitment or retention incentive. For U.S. Government civilian employees, hired in the United States, these are cumulative with a maximum of 35 percent each over the basic pay. (The cumulative maximum differential is 70 percent over basic pay, for an overall compensation of 170 percent of base pay.)

Applicability to contract performance: In order to facilitate contractor performance in areas where these differentials may be appropriate, this provision allows the use of the State Department's regulations and allowances as a basis for establishing differential labor rates on task orders. Information on current rates is available at the U.S. Department of State, Office of Allowances web site (http://aoprals.state.gov/Web920/default.asp?menu_id=95). If payment of a differential is determined appropriate by the task order contracting officer, that contracting officer may utilize any method to determine the labor rate (or additional price if pricing is based on other than labor rates) actually paid to the contractor. However, in no event shall the total price paid exceed the Schedule contract price plus the State Department compensation rate applicable to the locality in question.

Example: A task order is contemplated with performance in Kabul, Afghanistan. As of the date of the contractor's quotation, the State Department allowance for this location is 70%. The contract rate for the labor category in question is \$100.00 per hour. Therefore, the maximum allowable differential rate for that labor category would be \$170.00 per hour.

NOTICE OF THE FEDERAL PROCUREMENT LAW AFFECTING ALL ELECTRONIC AND INFORMATION TECHNOLOGY "DEVELOPED, PROCURED, MAINTAINED, OR USED" BY THE FEDERAL GOVERNMENT (SECTION 508)

SECTION 508 CONFORMANCE. Section 508 is a part of the Rehabilitation Act of 1973 which requires that Electronic and Information Technology (EIT) that is "developed, procured, maintained, or used" by the Federal government be accessible to persons with disabilities. On August 7, 1998, the President signed into law the Workforce Investment Act of 1998, which includes the Rehabilitation Act Amendments of 1998. Section 508 was originally added to the Rehabilitation Act in 1986; the 1998 amendments significantly expand and strengthen the technology accessibility requirements in Section 508.

Section 508 requires that when Federal agencies "develop, procure, maintain, or use" electronic and information technology, they shall ensure that the electronic and information technology allows Federal employees with disabilities to have access to and use of information and data that is comparable to the access to and use of information and data by Federal employees who are not individuals with disabilities, unless an undue burden would be imposed on the agency. Section 508 also requires that individuals with disabilities, who are members of the public seeking information or services from a Federal agency, have access to and use of information and data that is comparable to that provided to the public who are not individuals with disabilities, unless an undue burden would be imposed on the agency.

SECTION 508 STANDARDS APPLICABLE TO THIS EFFORT:

The Section 508 standards in 36 CFR 1194 are incorporated into and made part of all task/delivery orders awarded under a GSA Schedule to procure Electronic and Information Technology (EIT). These standards are found in their entirety at: <http://www.section508.gov> and <http://www.access-board.gov/sec508/standards.htm>. Offerors providing EIT shall fully address all standards identified as applicable in each individual task/delivery order and are encouraged to maintain and provide a link to a designated area on their website that provides Section 508 and accessibility information for their EIT-related products and services. Compliance with the applicable Section 508 standards is a material requirement of this solicitation.

Contractor Team Arrangements (CTA):

Contractor Team Arrangements (CTA) are encouraged under the Federal Supply Schedules Program and are a useful alternative for agencies to acquire complex services covering multiple GSA Schedules, for additional information see our website at www.gsa.gov/ctas.

Part II - CONTRACT TERMS AND CONDITIONS

Begin Regulation

52.204-18 COMMERCIAL AND GOVERNMENT ENTITY CODE MAINTENANCE (JUL 2016) 4.1804(c)

(a) *Definition.* As used in this clause —

Commercial and Government Entity (CAGE) code means —

- (1) An identifier assigned to entities located in the United States or its outlying areas by the Defense Logistics Agency (DLA) Commercial and Government Entity (CAGE) Branch to identify a commercial or government entity; or
- (2) An identifier assigned by a member of the North Atlantic Treaty Organization (NATO) or by the NATO Support and Procurement Agency (NSPA) to entities located outside the United States and its outlying areas that the DLA Commercial and Government Entity (CAGE) Branch records and maintains in the CAGE master file. This type of code is known as a NATO CAGE (NCAGE) code.

(b) Contractors shall ensure that the CAGE code is maintained throughout the life of the contract. For contractors registered in the System for Award Management (SAM), the DLA Commercial and Government Entity (CAGE) Branch shall only modify data received from SAM in the CAGE master file if the contractor initiates those changes via update of its SAM registration. Contractors undergoing a novation or change-of-name agreement shall notify the contracting officer in accordance with subpart 42.12. The contractor shall communicate any change to the CAGE code to the contracting officer within 30 days after the change, so that a modification can be issued to update the CAGE code on the contract.

(c) Contractors located in the United States or its outlying areas that are not registered in SAM shall submit written change requests to the DLA Commercial and Government Entity (CAGE) Branch. Requests for changes shall be provided at <https://cage.dla.mil>. Change requests to the CAGE master file are accepted from the entity identified by the code.

(d) Contractors located outside the United States and its outlying areas that are not registered in SAM shall contact the appropriate National Codification Bureau (points of contact available at <http://www.nato.int/structur/AC/135/main/links/contacts.htm>) or NSPA at <https://eportal.nspa.nato.int/AC135Public/scage/CageList.aspx> to request CAGE changes.

(e) Additional guidance for maintaining CAGE codes is available at <https://cage.dla.mil>.

(a) This clause applies to the extent that this contract involves access to information classified “Confidential,” “Secret,” or “Top Secret.”

(b) The Contractor shall comply with —

- (1) The Security Agreement (DD Form 441), including the National Industrial Security Program Operating Manual (DoD 5220.22-M); and

(2) Any revisions to that manual, notice of which has been furnished to the Contractor.

(c) If, subsequent to the date of this contract, the security classification or security requirements under this contract are changed by the Government and if the changes cause an increase or decrease in security costs or otherwise affect any other term or condition of this contract, the contract shall be subject to an equitable adjustment as if the changes were directed under the Changes clause of this contract.

(d) The Contractor agrees to insert terms that conform substantially to the language of this clause, including this paragraph (d) but excluding any reference to the Changes clause of this contract, in all subcontracts under this contract that involve access to classified information.

52.204-21 BASIC SAFEGUARDING OF COVERED CONTRACTOR INFORMATION SYSTEMS (JUN 2016)

(a) *Definitions.* As used in this clause —

Covered contractor information system means an information system that is owned or operated by a contractor that processes, stores, or transmits Federal contract information.

Federal contract information means information, not intended for public release, that is provided by or generated for the Government under a contract to develop or deliver a product or service to the Government, but not including information provided by the Government to the public (such as on public Web sites) or simple transactional information, such as necessary to process payments.

Information means any communication or representation of knowledge such as facts, data, or opinions, in any medium or form, including textual, numerical, graphic, cartographic, narrative, or audiovisual (Committee on National Security Systems Instruction (CNSSI) 4009).

Information system means a discrete set of information resources organized for the collection, processing, maintenance, use, sharing, dissemination, or disposition of information (44 U.S.C. 3502).

Safeguarding means measures or controls that are prescribed to protect information systems.

(b) *Safeguarding requirements and procedures.*

(1) The Contractor shall apply the following basic safeguarding requirements and procedures to protect covered contractor information systems. Requirements and procedures for basic safeguarding of covered contractor information systems shall include, at a minimum, the following security controls:

- (i) Limit information system access to authorized users, processes acting on behalf of authorized users, or devices (including other information systems).
- (ii) Limit information system access to the types of transactions and functions that authorized users are permitted to execute.
- (iii) Verify and control/limit connections to and use of external information systems.
- (iv) Control information posted or processed on publicly accessible information systems.
- (v) Identify information system users, processes acting on behalf of users, or devices.
- (vi) Authenticate (or verify) the identities of those users, processes, or devices, as a

prerequisite to allowing access to organizational information systems.

(vii) Sanitize or destroy information system media containing Federal Contract Information before disposal or release for reuse.

(viii) Limit physical access to organizational information systems, equipment, and the respective operating environments to authorized individuals.

(ix) Escort visitors and monitor visitor activity; maintain audit logs of physical access; and control and manage physical access devices.

(x) Monitor, control, and protect organizational communications (*i.e.*, information transmitted or received by organizational information systems) at the external boundaries and key internal boundaries of the information systems.

(xi) Implement subnetworks for publicly accessible system components that are physically or logically separated from internal networks.

(xii) Identify, report, and correct information and information system flaws in a timely manner.

(xiii) Provide protection from malicious code at appropriate locations within organizational information systems.

(xiv) Update malicious code protection mechanisms when new releases are available.

(xv) Perform periodic scans of the information system and real-time scans of files from external sources as files are downloaded, opened, or executed.

(2) *Other requirements.* This clause does not relieve the Contractor of any other specific safeguarding requirements specified by Federal agencies and departments relating to covered contractor information systems generally or other Federal safeguarding requirements for controlled unclassified information (CUI) as established by Executive Order 13556.

(c) *Subcontracts.* The Contractor shall include the substance of this clause, including this paragraph (c), in subcontracts under this contract (including subcontracts for the acquisition of commercial items, other than commercially available off-the-shelf items), in which the subcontractor may have Federal contract information residing in or transiting through its information system.

However, a written demand or written assertion by the Contractor seeking the payment of money exceeding \$100,000 is not a claim under 41 U.S.C chapter 71 until certified. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim under 41 U.S.C chapter 71. The submission may be converted to a claim under 41 U.S.C chapter 71, by complying with the submission and certification requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.

(d) (1) A claim by the Contractor shall be made in writing and, unless otherwise stated in this contract, submitted within 6 years after accrual of the claim to the Contracting Officer for a written decision. A claim by the Government against the Contractor shall be subject to a written decision by the Contracting Officer.

(2) (i) The Contractor shall provide the certification specified in paragraph (d)(2)(iii) of this clause when submitting any claim exceeding \$100,000.

(ii) The certification requirement does not apply to issues in controversy that have not been submitted as all or part of a claim.

(iii) The certification shall state as follows: "I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the contract adjustment for which the Contractor believes the Government is liable; and that I am authorized to certify the claim on behalf of the Contractor."

(3) The certification may be executed by any person authorized to bind the Contractor with respect to the claim.

(e) For Contractor claims of \$50,000 or less, the Contracting Officer must, if requested in writing by the Contractor, render a decision within 60 days of the request. For Contractor-certified claims over \$50,000, the Contracting Officer must, within 60 days, decide the claim or notify the Contractor of the date by which the decision will be made.

(f) The Contracting Officer's decision shall be final unless the Contractor appeals or files a suit as provided in 41 U.S.C chapter 71.

(g) If the claim by the Contractor is submitted to the Contracting Officer or a claim by the Government is presented to the Contractor, the parties, by mutual consent, may agree to use alternative dispute resolution (ADR). If the Contractor refuses an offer for ADR, the Contractor shall inform the Contracting Officer, in writing, of the Contractor's specific reasons for rejecting the offer.

(h) The Government shall pay interest on the amount found due and unpaid from (1) the date that the Contracting Officer receives the claim (certified, if required); or (2) the date that payment otherwise would be due, if that date is later, until the date of payment. With regard to claims having defective certifications, as defined in FAR 33.201, interest shall be paid from the date that the Contracting Officer initially receives the claim. Simple interest on claims shall be paid at the rate, fixed by the Secretary of the Treasury as provided in the Act, which is applicable to the period during which the Contracting Officer receives the claim and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary during the pendency of the claim.

(i) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting Officer.

**552.211-78 COMMERCIAL DELIVERY SCHEDULE (MULTIPLE
AWARD SCHEDULE) (FEB 1996)**

Destination prices; or to place of shipment in transit in the case of F.O.B. Origin prices, as set forth below. Offerors shall insert in the "Time of Delivery (days ARO)" column in the schedule of Items a definite number of calendar days within which delivery will be made. In no case shall the offered delivery time exceed the Contractor's normal commercial practice. The Government requires the Contractor's normal commercial delivery time, as long as it is less than the "stated" delivery time(s) shown below. If the Offeror does not insert a delivery time in the schedule of items, the Offeror will be deemed to offer delivery in accordance with the Government's stated delivery time, as stated below:

ITEMS OR GROUP OF ITEMS (Special item No. or nomenclature)	GOVERNMENT STATED DELIVERY TIME (Days ARO)	CONTRACTOR'S NORMAL COMMERCIAL DELIVERY TIME

See Schedule of Items	To be determined at the task order level	_____
See Schedule of Items	To be determined at the task order level	_____

(b) Expedited Delivery Times. For those items that can be delivered quicker than the delivery times in paragraph (a), above, the Offeror is requested to insert below, a time (hours/days ARO) that delivery can be made when expedited delivery is requested.

(c) Overnight and 2-Day Delivery Times. Ordering activities may require overnight or 2—day delivery. The Offeror is requested to annotate its price list or by separate attachment identify the items that can be delivered overnight or within 2 days. Contractors offering such delivery services will be required to state in the cover sheet to its FSS price list details concerning this service.

**552.212-4 CONTRACT TERMS AND CONDITIONS –
COMMERCIAL ITEMS (JAN 2017) (DEVIATION – FEB 2007)
(DEVIATION - FEB 2018)**

(a) *Inspection/Acceptance.* The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The ordering activity reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The ordering activity may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the ordering activity may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The ordering activity must exercise its post-acceptance rights —

(1) Within a reasonable time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(b) *Assignment.* The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (e.g., use of the credit card), the Contractor may not assign its rights to receive payment under this contract.

(c) *Changes.* Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(d) *Disputes.* This contract is subject to 41 U.S.C. chapter 71, Contract Disputes. Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause at FAR 52.233-1, Disputes, which is incorporated herein by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(e) *Definitions.* The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

(f) *Excusable delays.* The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence such as, acts of God or the public enemy, acts of the ordering activity in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly

give written notice to the Contracting Officer of the cessation of such occurrence.

(g) *Invoice.*

(1) The Contractor shall submit an original invoice and three copies (or electronic invoice, if authorized) to the address designated in the contract to receive invoices. An invoice must include —

- (i) Name and address of the Contractor;
- (ii) Invoice date and number;
- (iii) Contract number, line item number and, if applicable, the order number;
- (iv) Description, quantity, unit of measure, unit price and extended price of the items delivered;
- (v) Shipping number and date of shipment, including the bill of lading number and weight of shipment if shipped on an ordering activity bill of lading;
- (vi) Terms of any discount for prompt payment offered;
- (vii) Name and address of official to whom payment is to be sent;
- (viii) Name, title, and phone number of person to notify in event of defective invoice; and
- (ix) Taxpayer Identification Number (TIN). The Contractor shall include its TIN on the invoice only if required elsewhere in this contract.
- (x) Electronic funds transfer (EFT) banking information.

(A) The Contractor shall include EFT banking information on the invoice only if required elsewhere in this contract.

(B) If EFT banking information is not required to be on the invoice, in order for the invoice to be a proper invoice, the Contractor shall have submitted correct EFT banking information in accordance with the applicable solicitation provision, contract clause (e.g., 52.232-33, *Payment by Electronic Funds Transfer — System for Award Management*, or 52.232-34, *Payment by Electronic Funds Transfer—Other Than System for Award Management*), or applicable agency procedures.

(C) EFT banking information is not required if the ordering activity waived the requirement to pay by EFT.

(2) The due date for making invoice payments by the designated payment office is the later of the following two events:

- (i) The 10th day after the designated billing office receives a proper invoice from the Contractor. If the designated billing office fails to annotate the invoice with the date of receipt at the time of receipt, the invoice payment due date shall be the 10th day after the date of the Contractor's invoice; provided the Contractor submitted a proper invoice and no disagreement exists over quantity, quality, or Contractor compliance with contract requirements.
- (ii) The 10th day after ordering activity acceptance of supplies delivered or services-performed by the Contractor.

(h) *Patent indemnity.* The Contractor shall indemnify the ordering activity and its officers, employees and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign patent, trademark or copyright, arising out of the performance of this contract, provided the Contractor is reasonably notified of such claims and proceedings.

(i) *Payment.*

(1) *Items accepted.* Payment shall be made for items accepted by the ordering activity that have been delivered to the delivery destinations set forth in this contract.

(2) *Prompt payment.* The ordering activity will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations at 5 CFR part 1315.

(3) *Electronic Funds Transfer (EFT).* If the ordering activity makes payment by EFT, see 52.212-5(b) for the appropriate EFT clause.

(4) *Discount.* In connection with any discount offered for early payment, time shall be computed from the date of the invoice. For the purpose of computing the discount earned, payment shall be considered to have been made on the date which appears on the payment check or the specified payment date if an electronic funds transfer payment is made.

(5) *Overpayments.* If the Contractor becomes aware of a duplicate contract financing or invoice payment or that the ordering activity has otherwise overpaid on a contract financing or invoice payment, the Contractor shall —

(i) Remit the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the —

(A) Circumstances of the overpayment (e.g., duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);

(B) Affected contract number and delivery order number, if applicable;

(C) Affected line item or subline item, if applicable; and

(D) Contractor point of contact.

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(6) *Interest.*

(i) All amounts that become payable by the Contractor to the ordering activity under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in 41 U.S.C. 7109, which is applicable to the period in which the amount becomes due, as provided in (i)(6)(v) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

(ii) The ordering activity may issue a demand for payment to the Contractor upon finding a debt is due under the contract.

(iii) *Final decisions.* The Contracting Officer will issue a final decision as required by 33.211 if —

(A) The Contracting Officer and the Contractor are unable to reach agreement on

the existence or amount of a debt within 30 days;

(B) The Contractor fails to liquidate a debt previously demanded by the Contracting Officer within the timeline specified in the demand for payment unless the amounts were not repaid because the Contractor has requested an installment payment agreement; or

(C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see 32.607-2).

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

(A) The date fixed under this contract.

(B) The date of the first written demand for payment, including any demand for payment resulting from a default termination.

(vi) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on —

(A) The date on which the designated office receives payment from the Contractor;

(B) The date of issuance of an ordering activity check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(C) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the Contractor.

(vii) The interest charge made under this clause may be reduced under the procedures prescribed in 32.608-2 of the Federal Acquisition Regulation in effect on the date of this contract.

(j) *Risk of loss.* Unless the contract specifically provides otherwise, risk of loss or damage to the supplies provided under this contract shall remain with the Contractor until, and shall pass to the ordering activity upon:

(1) Delivery of the supplies to a carrier, if transportation is f.o.b. origin; or

(2) Delivery of the supplies to the ordering activity at the destination specified in the contract, if transportation is f.o.b. destination.

(k) *Taxes.* The contract price includes all applicable Federal, State, and local taxes and duties.

(l) *Termination for the ordering activity's convenience.* The ordering activity reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges the Contractor can demonstrate to the satisfaction of the ordering activity using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles

for this purpose. This paragraph does not give the ordering activity any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred which reasonably could have been avoided.

(m) *Termination for cause.* The ordering activity may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the ordering activity, upon request, with adequate assurances of future performance. In the event of termination for cause, the ordering activity shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the ordering activity for any and all rights and remedies provided by law. If it is determined that the ordering activity improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) *Title.* Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the ordering activity upon acceptance, regardless of when or where the ordering activity takes physical possession.

(o) *Warranty.* The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(p) *Limitation of liability.* Except as otherwise provided by an express warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

(q) *Other compliances.* The Contractor shall comply with all applicable Federal, State and local laws, executive orders, rules and regulations applicable to its performance under this contract.

(r) *Compliance with laws unique to Government contracts.* The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 18 U.S.C. 431 relating to officials not to benefit; 40 U.S.C. chapter 37, Contract Work Hours and Safety Standards; 41 U.S.C. chapter 87, Kickbacks; 41 U.S.C. 4712 and 10 U.S.C. 2409 relating to whistleblower protections; 49 U.S.C. 40118, Fly American; and 41 U.S.C. chapter 21 relating to procurement integrity.

(s) *Order of precedence.* Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

- (1) The schedule of supplies/services.
- (2) The Assignments, Disputes, Payments, Invoice, Other Compliances, Compliance with Laws Unique to Government Contracts, Unauthorized Obligations, and Commercial Supplier Agreements – Unenforceable Clauses paragraphs of this clause.
- (3) The clause at 52.212-5.
- (4) Addenda to this solicitation or contract, including any commercial supplier agreements as amended by the Commercial Supplier Agreements – Unenforceable Clauses provision.
- (5) Solicitation provisions if this is a solicitation.
- (6) Other paragraphs of this clause.
- (7) The Standard Form 1449.
- (8) Other documents, exhibits, and attachments.
- (9) The specification.

(t) System for Award Management (SAM).

(1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the ordering activity's reliance on inaccurate or incomplete data. To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2) (i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of Subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (t)(2)(i) of this clause, or fails to perform the agreement at paragraph (t)(2)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the SAM information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(4) Offerors and Contractors may obtain information on registration and annual confirmation requirements via SAM accessed through <https://www.acquisition.gov>.

(u) *Unauthorized Obligations.*

(1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract is subject to any commercial supplier agreement (as defined in 502.101) that includes any language, provision, or clause requiring the ordering activity to pay any future fees, penalties, interest, legal costs or to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such language, provision, or clause is unenforceable against the ordering activity.

(ii) Neither the ordering activity nor any ordering activity authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the commercial supplier agreement. If the commercial supplier agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the ordering activity or any ordering activity authorized end user to such clause.

(iii) Any such language, provision, or clause is deemed to be stricken from the commercial supplier agreement.

(2) Paragraph (u)(1) of this clause does not apply to indemnification or any other payment by the ordering activity that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(v) *Incorporation by reference.* The Contractor's representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.

(w) *Commercial supplier agreements – unenforceable clauses.* When any supply or service acquired under this contract is subject to a commercial supplier agreement (as defined in 502.101), the following language shall be deemed incorporated into the commercial supplier agreement. As used herein, "this agreement" means the commercial supplier agreement:

(1) Notwithstanding any other provision of this agreement, when the end user is an agency or instrumentality of the ordering activity, the following shall apply:

(i) *Applicability.* This agreement is a part of a contract between the commercial supplier and the ordering activity for the acquisition of the supply or service that necessitates a license (including all contracts, task orders, and delivery orders under FAR Part 12).

(ii) *End user.* This agreement shall bind the ordering activity as end user but shall not operate to bind an ordering activity employee or person acting on behalf of the ordering activity in his or her personal capacity.

(iii) *Law and disputes.* This agreement is governed by Federal law.

(A) Any language purporting to subject the ordering activity to the laws of a U.S. state, U.S. territory, district, or municipality, or a foreign nation, except where Federal law expressly provides for the application of such laws, is hereby deleted.

(B) Any language requiring dispute resolution in a specific forum or venue that is different from that prescribed by applicable Federal law is hereby deleted.

(C) Any language prescribing a different time period for bringing an action than that prescribed by applicable Federal law in relation to a dispute is hereby deleted.

(iv) *Continued performance.* The supplier or licensor shall not unilaterally revoke, terminate or suspend any rights granted to the ordering activity except as allowed by this contract. If the supplier or licensor believes the ordering activity to be in breach of the agreement, it shall pursue its rights under the Contract Disputes Act or other applicable Federal statute while continuing performance as set forth in subparagraph (d) (Disputes).

(v) *Arbitration; equitable or injunctive relief.* In the event of a claim or dispute arising under or relating to this agreement, a binding arbitration shall not be used unless specifically authorized by agency guidance, and equitable or injunctive relief, including the award of attorney fees, costs or interest, may be awarded against the ordering activity only when explicitly provided by statute (e.g., Prompt Payment Act or Equal Access to Justice Act).

(vi) *Updating terms.*

(A) After award, the contractor may unilaterally revise commercial supplier agreement terms if they are not material. A material change is defined as:

(1) Terms that change the ordering activity's rights or obligations;

- (2) Terms that increase ordering activity prices;
- (3) Terms that decrease overall level of service; or
- (4) Terms that limit any other ordering activity right addressed elsewhere in this contract.

(B) For revisions that will materially change the terms of the contract, the revised commercial supplier agreement must be incorporated into the contract using a bilateral modification.

(C) Any agreement terms or conditions unilaterally revised subsequent to award that are inconsistent with any material term or provision of this contract shall not be enforceable against the ordering activity, and the ordering activity shall not be deemed to have consented to them.

(vii) *No automatic renewals.* If any license or service tied to periodic payment is provided under this agreement (e.g., annual software maintenance or annual lease term), such license or service shall not renew automatically upon expiration of its current term without prior express consent by an authorized ordering activity representative.

(viii) *Indemnification.* Any clause of this agreement requiring the commercial supplier or licensor to defend or indemnify the end user is hereby amended to provide that the U.S. Department of Justice has the sole right to represent the United States in any such action, in accordance with 28 U.S.C. 516.

(ix) *Audits.* Any clause of this agreement permitting the commercial supplier or licensor to audit the end user's compliance with this agreement is hereby amended as follows:

(A) Discrepancies found in an audit may result in a charge by the commercial supplier or licensor to the ordering activity. Any resulting invoice must comply with the proper invoicing requirements specified in the underlying ordering activity contract or order.

(B) This charge, if disputed by the ordering activity, will be resolved in accordance with subparagraph (d) (Disputes); no payment obligation shall arise on the part of the ordering activity until the conclusion of the dispute process.

(C) Any audit requested by the contractor will be performed at the contractor's expense, without reimbursement by the ordering activity.

(x) *Taxes or surcharges.* Any taxes or surcharges which the commercial supplier or licensor seeks to pass along to the ordering activity as end user will be governed by the terms of the underlying contract or order and, in any event, must be submitted to the Contracting Officer for a determination of applicability prior to invoicing unless specifically agreed to otherwise in the ordering activity contract.

(xi) *Non-assignment.* This agreement may not be assigned, nor may any rights or obligations thereunder be delegated, without the ordering activity's prior approval, except as expressly permitted under subparagraph (b) of this clause.

(xii) *Confidential information.* If this agreement includes a confidentiality clause, such clause is hereby amended to state that neither the agreement nor the contract price list, as applicable, shall be deemed "confidential information." Issues regarding release of "unit pricing" will be resolved consistent with the Freedom of Information Act. Notwithstanding anything in this agreement to the contrary, the ordering activity may retain any confidential information as required by law, regulation or its internal document retention procedures for legal, regulatory or compliance purposes; provided, however, that all such retained confidential information will continue to be subject to the

confidentiality obligations of this agreement.

(2) If any language, provision, or clause of this agreement conflicts or is inconsistent with the preceding paragraph (w)(1), the language, provisions, or clause of paragraph (w)(1) shall prevail to the extent of such inconsistency.

**552.212-4 CONTRACT TERMS AND CONDITIONS -
COMMERCIAL ITEMS (JAN 2017) (DEVIATION - FEB 2018)
(ALTERNATE I - JAN 2017) (DEVIATION - FEB 2007)**

(a) Inspection/Acceptance.

(1) The ordering activity has the right to inspect and test all materials furnished and services performed under this contract, to the extent practicable at all places and times, including the period of performance, and in any event before acceptance. The ordering activity may also inspect the plant or plants of the Contractor or any subcontractor engaged in contract performance. The ordering activity will perform inspections and tests in a manner that will not unduly delay the work.

(2) If the ordering activity performs inspection or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish and shall require subcontractors to furnish all reasonable facilities and assistance for the safe and convenient performance of these duties.

(3) Unless otherwise specified in the contract, the ordering activity will accept or reject services and materials at the place of delivery as promptly as practicable after delivery, and they will be presumed accepted 60 days after the date of delivery, unless accepted earlier.

(4) At any time during contract performance, but not later than 6 months (or such other time as may be specified in the contract) after acceptance of the services or materials last delivered under this contract, the ordering activity may require the Contractor to replace or correct services or materials that at time of delivery failed to meet contract requirements. Except as otherwise specified in paragraph (a)(6) of this clause, the cost of replacement or correction shall be determined under paragraph (i) of this clause, but the "hourly rate" for labor hours incurred in the replacement or correction shall be reduced to exclude that portion of the rate attributable to profit. Unless otherwise specified below, the portion of the "hourly rate" attributable to profit shall be 10 percent. The Contractor shall not tender for acceptance materials and services required to be replaced or corrected without disclosing the former requirement for replacement or correction, and, when required, shall disclose the corrective action taken. *[Insert portion of labor rate attributable to profit.]*

(5) (i) If the Contractor fails to proceed with reasonable promptness to perform required replacement or correction, and if the replacement or correction can be performed within the ceiling price (or the ceiling price as increased by the ordering activity), the ordering activity may —

(A) By contract or otherwise, perform the replacement or correction, charge to the Contractor any increased cost, or deduct such increased cost from any amounts paid or due under this contract; or

(B) Terminate this contract for cause.

(ii) Failure to agree to the amount of increased cost to be charged to the Contractor shall be a dispute under the Disputes clause of the contract.

(6) Notwithstanding paragraphs (a)(4) and (5) above, the ordering activity may at any time

require the Contractor to remedy by correction or replacement, without cost to the ordering activity, any failure by the Contractor to comply with the requirements of this contract, if the failure is due to —

(i) Fraud, lack of good faith, or willful misconduct on the part of the Contractor's managerial personnel; or

(ii) The conduct of one or more of the Contractor's employees selected or retained by the Contractor after any of the Contractor's managerial personnel has reasonable grounds to believe that the employee is habitually careless or unqualified.

(7) This clause applies in the same manner and to the same extent to corrected or replacement materials or services as to materials and services originally delivered under this contract.

(8) The Contractor has no obligation or liability under this contract to correct or replace materials and services that at time of delivery do not meet contract requirements, except as provided in this clause or as may be otherwise specified in the contract.

(9) Unless otherwise specified in the contract, the Contractor's obligation to correct or replace ordering activity-furnished property shall be governed by the clause pertaining to ordering activity property.

(b) Assignment. The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (e.g., use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(c) Changes. Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(d) Disputes. This contract is subject to 41 U.S.C. chapter 71, Contract Disputes. Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause at FAR 52.233-1, Disputes, which is incorporated herein by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(e) *Definitions.*

(1) The clause at FAR 52.202-1, Definitions, is incorporated herein by reference. As used in this clause —

(i) Direct materials means those materials that enter directly into the end product, or that are used or consumed directly in connection with the furnishing of the end product or service.

(ii) Hourly rate means the rate(s) prescribed in the contract for payment for labor that meets the labor category qualifications of a labor category specified in the contract that are —

(A) Performed by the contractor;

(B) Performed by the subcontractors; or

(C) Transferred between divisions, subsidiaries, or affiliates of the contractor under a common control.

(iii) *Materials* means —

(A) Direct materials, including supplies transferred between divisions, subsidiaries, or affiliates of the contractor under a common control;

(B) Subcontracts for supplies and incidental services for which there is not a labor category specified in the contract;

(C) Other direct costs (e.g., incidental services for which there is not a labor category specified in the contract, travel, computer usage charges, etc.);

(D) The following subcontracts for services which are specifically excluded from the hourly rate: Each order must list separately subcontracts for services excluded from the FSS Hourly Rates; and

(E) Indirect costs specifically provided for in this clause.

(iv) *Subcontract* means any contract, as defined in FAR subpart 2.1, entered into with a subcontractor to furnish supplies or services for performance of the prime contract or a subcontract including transfers between divisions, subsidiaries, or affiliates of a contractor or subcontractor. It includes, but is not limited to, purchase orders, and changes and modifications to purchase orders.

(f) *Excusable delays.* The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence such as, acts of God or the public enemy, acts of the ordering activity in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(g) *Invoice.*

(1) The Contractor shall submit an original invoice and three copies (or electronic invoice, if authorized) to the address designated in the contract to receive invoices. An invoice must include—

(i) Name and address of the Contractor;

(ii) Invoice date and number;

(iii) Contract number, line item number and, if applicable, the order number;

(iv) Description, quantity, unit of measure, unit price and extended price of the items delivered;

(v) Shipping number and date of shipment, including the bill of lading number and weight of shipment if shipped on ordering activity bill of lading;

(vi) Terms of any discount for prompt payment offered;

(vii) Name and address of official to whom payment is to be sent;

(viii) Name, title, and phone number of person to notify in event of defective invoice; and

(ix) Taxpayer Identification Number (TIN). The Contractor shall include its TIN on the

invoice only if required elsewhere in this contract.

(x) Electronic funds transfer (EFT) banking information.

(A) The Contractor shall include EFT banking information on the invoice only if required elsewhere in this contract.

(B) If EFT banking information is not required to be on the invoice, in order for the invoice to be a proper invoice, the Contractor shall have submitted correct EFT banking information in accordance with the applicable solicitation provision, contract clause (e.g., 52.232-33, *Payment by Electronic Funds Transfer—System for Award Management*, or 52.232-34, *Payment by Electronic Funds Transfer—Other Than System for Award Management*), or applicable agency procedures.

(C) EFT banking information is not required if the ordering activity waived the requirement to pay by EFT.

(2) The due date for making invoice payments by the designated payment office is the later of the following two events:

(i) The 10th day after the designated billing office receives a proper invoice from the Contractor. If the designated billing office fails to annotate the invoice with the date of receipt at the time of receipt, the invoice payment due date shall be the 10th day after the date of the Contractor's invoice; provided the Contractor submitted a proper invoice and no disagreement exists over quantity, quality, or Contractor compliance with contract requirements.

(ii) The 10th day after ordering activity acceptance of supplies delivered or services performed by the Contractor.

(h) *Patent indemnity.* The Contractor shall indemnify the ordering activity and its officers, employees and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign patent, trademark or copyright, arising out of the performance of this contract, provided the Contractor is reasonably notified of such claims and proceedings.

(i) *Payments.*

(1) Work performed. The ordering activity will pay the Contractor as follows upon the submission of commercial invoices approved by the Contracting Officer:

(i) Hourly rate.

(A) The amounts shall be computed by multiplying the appropriate hourly rates prescribed in the contract by the number of direct labor hours performed. Fractional parts of an hour shall be payable on a prorated basis.

(B) The rates shall be paid for all labor performed on the contract that meets the labor qualifications specified in the contract. Labor hours incurred to perform tasks for which labor qualifications were specified in the contract will not be paid to the extent the work is performed by individuals that do not meet the qualifications specified in the contract, unless specifically authorized by the Contracting Officer.

(C) Invoices may be submitted once each month (or at more frequent intervals, if approved by the Contracting Officer) to the Contracting Officer or the authorized representative.

(D) When requested by the Contracting Officer or the authorized representative, the Contractor shall substantiate invoices (including any subcontractor hours reimbursed at the hourly rate in the schedule) by evidence of actual payment, individual daily job timecards, records that verify the employees meet the qualifications for the labor categories specified in the contract, or other substantiation specified in the contract.

(E) Unless the Schedule prescribes otherwise, the hourly rates in the Schedule shall not be varied by virtue of the Contractor having performed work on an overtime basis.

(1) If no overtime rates are provided in the Schedule and the Contracting Officer approves overtime work in advance, overtime rates shall be negotiated.

(2) Failure to agree upon these overtime rates shall be treated as a dispute under the Disputes clause of this contract.

(3) If the Schedule provides rates for overtime, the premium portion of those rates will be reimbursable only to the extent the overtime is approved by the Contracting Officer.

(ii) Materials.

(A) If the Contractor furnishes materials that meet the definition of a commercial item at 2.101, the price to be paid for such materials shall not exceed the Contractor's established catalog or market price, adjusted to reflect the —

(1) Quantities being acquired; and

(2) Any modifications necessary because of contract requirements.

(B) Except as provided for in paragraph (i)(1)(ii)(A) and (D)(2) of this clause, the ordering activity will reimburse the Contractor the actual cost of materials (less any rebates, refunds, or discounts received by the contractor that are identifiable to the contract) provided the Contractor —

(1) Has made payments for materials in accordance with the terms and conditions of the agreement or invoice; or

(2) Makes these payments within 30 days of the submission of the Contractor's payment request to the ordering activity and such payment is in accordance with the terms and conditions of the agreement or invoice.

(C) To the extent able, the Contractor shall —

(1) Obtain materials at the most advantageous prices available with due regard to securing prompt delivery of satisfactory materials; and

(2) Give credit to the ordering activity for cash and trade discounts, rebates, scrap, commissions, and other amounts that are identifiable to the contract.

(D) Other Costs. Unless listed below, other direct and indirect costs will not be reimbursed.

(1) Other Direct Costs. The ordering activity will reimburse the Contractor on the basis of actual cost for the following, provided such costs comply with the requirements in paragraph (i)(1)(ii)(B) of this clause: **Each order must list separately the elements of other direct costs for that order.**

(2) Indirect Costs (Material Handling, Subcontract Administration, etc.). The ordering activity will reimburse the Contractor for indirect costs on a pro-rata basis over the period of contract performance at the following fixed price:

Each order must list separately the fixed amount for the indirect costs and payment schedule; if no indirect costs are approved, insert "None."

(2) *Total cost.* It is estimated that the total cost to the ordering activity for the performance of this contract shall not exceed the ceiling price set forth in the Schedule and the Contractor agrees to use its best efforts to perform the work specified in the Schedule and all obligations under this contract within such ceiling price. If at any time the Contractor has reason to believe that the hourly rate payments and material costs that will accrue in performing this contract in the next succeeding 30 days, if added to all other payments and costs previously accrued, will exceed 85 percent of the ceiling price in the Schedule, the Contractor shall notify the Contracting Officer giving a revised estimate of the total price to the ordering activity for performing this contract with supporting reasons and documentation. If at any time during the performance of this contract, the Contractor has reason to believe that the total price to the ordering activity for performing this contract will be substantially greater or less than the then stated ceiling price, the Contractor shall so notify the Contracting Officer, giving a revised estimate of the total price for performing this contract, with supporting reasons and documentation. If at any time during performance of this contract, the ordering activity has reason to believe that the work to be required in performing this contract will be substantially greater or less than the stated ceiling price, the Contracting Officer will so advise the Contractor, giving the then revised estimate of the total amount of effort to be required under the contract.

(3) *Ceiling price.* The ordering activity will not be obligated to pay the Contractor any amount in excess of the ceiling price in the Schedule, and the Contractor shall not be obligated to continue performance if to do so would exceed the ceiling price set forth in the Schedule, unless and until the Contracting Officer notifies the Contractor in writing that the ceiling price has been increased and specifies in the notice a revised ceiling that shall constitute the ceiling price for performance under this contract. When and to the extent that the ceiling price set forth in the Schedule has been increased, any hours expended and material costs incurred by the Contractor in excess of the ceiling price before the increase shall be allowable to the same extent as if the hours expended and material costs had been incurred after the increase in the ceiling price.

(4) *Access to records.* At any time before final payment under this contract, the Contracting Officer (or authorized representative) will have access to the following (access shall be limited to the listing below unless otherwise agreed to by the Contractor and the Contracting Officer):

(i) Records that verify that the employees whose time has been included in any invoice meet the qualifications for the labor categories specified in the contract;

(ii) For labor hours (including any subcontractor hours reimbursed at the hourly rate in the schedule), when timecards are required as substantiation for payment —

(A) The original timecards (paper-based or electronic);

(B) The Contractor's timekeeping procedures;

(C) Contractor records that show the distribution of labor between jobs or contracts; and

(D) Employees whose time has been included in any invoice for the purpose of verifying that these employees have worked the hours shown on the invoices.

(iii) For material and subcontract costs that are reimbursed on the basis of actual cost —

(A) Any invoices or subcontract agreements substantiating material costs; and

(B) Any documents supporting payment of those invoices.

(5) *Overpayments/Underpayments.* Each payment previously made shall be subject to reduction

to the extent of amounts, on preceding invoices, that are found by the Contracting Officer not to have been properly payable and shall also be subject to reduction for overpayments or to increase for underpayments. The Contractor shall promptly pay any such reduction within 30 days unless the parties agree otherwise. The ordering activity within 30 days will pay any such increases, unless the parties agree otherwise. The Contractor's payment will be made by check. If the Contractor becomes aware of a duplicate invoice payment or that the ordering activity has otherwise overpaid on an invoice payment, the Contractor shall —

(i) Remit the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the —

(A) Circumstances of the overpayment (e.g., duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);

(B) Affected contract number and delivery order number, if applicable;

(C) Affected line item or subline item, if applicable; and

(D) Contractor point of contact.

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(6) (i) All amounts that become payable by the Contractor to the ordering activity under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury, as provided in 41 U.S.C. 7109, which is applicable to the period in which the amount becomes due, and then at the rate applicable for each six month period as established by the Secretary until the amount is paid.

(ii) The ordering activity may issue a demand for payment to the Contractor upon finding a debt is due under the contract.

(iii) Final Decisions. The Contracting Officer will issue a final decision as required by 33.211 if —

(A) The Contracting Officer and the Contractor are unable to reach agreement on the existence or amount of a debt in a timely manner;

(B) The Contractor fails to liquidate a debt previously demanded by the Contracting Officer within the timeline specified in the demand for payment unless the amounts were not repaid because the Contractor has requested an installment payment agreement; or

(C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see FAR 32.607-2).

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

(A) The date fixed under this contract.

(B) The date of the first written demand for payment, including any demand for payment resulting from a default termination.

(vi) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on —

(A) The date on which the designated office receives payment from the Contractor;

(B) The date of issuance of a ordering activity check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(C) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the Contractor.

(vii) The interest charge made under this clause may be reduced under the procedures prescribed in 32.608-2 of the Federal Acquisition Regulation in effect on the date of this contract.

(viii) Upon receipt and approval of the invoice designated by the Contractor as the “completion invoice” and supporting documentation, and upon compliance by the Contractor with all terms of this contract, any outstanding balances will be paid within 30 days unless the parties agree otherwise. The completion invoice, and supporting documentation, shall be submitted by the Contractor as promptly as practicable following completion of the work under this contract, but in no event later than 1 year (or such longer period as the Contracting Officer may approve in writing) from the date of completion.

(7) *Release of claims.* The Contractor, and each assignee under an assignment entered into under this contract and in effect at the time of final payment under this contract, shall execute and deliver, at the time of and as a condition precedent to final payment under this contract, a release discharging the ordering activity, its officers, agents, and employees of and from all liabilities, obligations, and claims arising out of or under this contract, subject only to the following exceptions.

(i) Specified claims in stated amounts, or in estimated amounts if the amounts are not susceptible to exact statement by the Contractor.

(ii) Claims, together with reasonable incidental expenses, based upon the liabilities of the Contractor to third parties arising out of performing this contract, that are not known to the Contractor on the date of the execution of the release, and of which the Contractor gives notice in writing to the Contracting Officer not more than 6 years after the date of the release or the date of any notice to the Contractor that the ordering activity is prepared to make final payment, whichever is earlier.

(iii) Claims for reimbursement of costs (other than expenses of the Contractor by reason of its indemnification of the ordering activity against patent liability), including reasonable incidental expenses, incurred by the Contractor under the terms of this contract relating to patents.

(8) *Prompt payment.* The ordering activity will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations at 5 CFR part 1315.

(9) *Electronic Funds Transfer (EFT).* If the ordering activity makes payment by EFT, see 52.212-5(b) for the appropriate EFT clause.

(10) *Discount.* In connection with any discount offered for early payment, time shall be computed from the date of the invoice. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or the specified payment date if an electronic funds transfer payment is made.

(j) *Risk of loss.* Unless the contract specifically provides otherwise, risk of loss or damage to the supplies provided under this contract shall remain with the Contractor until, and shall pass to the ordering activity upon:

(1) Delivery of the supplies to a carrier, if transportation is f.o.b. origin; or

(2) Delivery of the supplies to the ordering activity at the destination specified in the contract, if transportation is f.o.b. destination.

(k) *Taxes.* The contract price includes all applicable Federal, State, and local taxes and duties.

(l) *Termination for the ordering activity's convenience.* The ordering activity reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid an amount for direct labor hours (as defined in the Schedule of the contract) determined by multiplying the number of direct labor hours expended before the effective date of termination by the hourly rate(s) in the contract, less any hourly rate payments already made to the Contractor plus reasonable charges the Contractor can demonstrate to the satisfaction of the ordering activity using its standard record keeping system that have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the ordering activity any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided.

(m) *Termination for cause.* The ordering activity may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the ordering activity, upon request, with adequate assurances of future performance. In the event of termination for cause, the ordering activity shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the ordering activity for any and all rights and remedies provided by law. If it is determined that the ordering activity improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) *Title.* Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the ordering activity upon acceptance, regardless of when or where the ordering activity takes physical possession.

(o) *Warranty.* The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(p) *Limitation of liability.* Except as otherwise provided by an express warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

(q) *Other compliances.* The Contractor shall comply with all applicable Federal, State and local laws, executive orders, rules and regulations applicable to its performance under this contract.

(r) *Compliance with laws unique to Government contracts.* The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 18 U.S.C. 431 relating to officials not to benefit; 40 U.S.C. chapter 37, Contract Work Hours and Safety Standards; 41 U.S.C. chapter 87, Kickbacks; 41 U.S.C. 4712 and 10 U.S.C. 2409 relating to whistleblower protections; 49 U.S.C. 40118, Fly American; and 41 U.S.C. chapter 21 relating to procurement integrity.

(s) *Order of precedence.* Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

(1) The schedule of supplies/services.

(2) The Assignments, Disputes, Payments, Invoice, Other Compliances, Compliance with Laws Unique to Government Contracts, Unauthorized Obligations, and Commercial Supplier Agreements - Unenforceable Clauses paragraphs of this clause.

(3) The clause at 52.212-5.

(4) Addenda to this solicitation or contract, including any commercial supplier agreements as amended by the Commercial Supplier Agreements - Unenforceable Clauses provision.

(5) Solicitation provisions if this is a solicitation.

(6) Other paragraphs of this clause.

(7) The Standard Form 1449.

(8) Other documents, exhibits, and attachments.

(9) The specification.

(t) *System for Award Management (SAM)*.

(1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the ordering activity's reliance on inaccurate or incomplete data. To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2) (i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (t)(2)(i) of this clause, or fails to perform the agreement at paragraph (t)(2)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the SAM information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(4) Offerors and Contractors may obtain information on registration and annual confirmation requirements via SAM accessed through <https://www.acquisition.gov>.

(u) *Unauthorized Obligations.*

(1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract is subject to any commercial supplier agreement (as defined in 502.101) that includes any language, provision, or clause requiring the ordering activity to pay any future fees, penalties, interest, legal costs or to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such language, provision, or clause is unenforceable against the ordering activity.

(ii) Neither the ordering activity nor any ordering activity authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the commercial supplier agreement. If the commercial supplier agreement is invoked through an “I agree” click box or other comparable mechanism (e.g., “click-wrap” or “browse-wrap” agreements), execution does not bind the ordering activity or any ordering activity authorized end user to such clause.

(iii) Any such language, provision, or clause is deemed to be stricken from the commercial supplier agreement.

(2) Paragraph (u)(1) of this clause does not apply to indemnification or any other payment by the ordering activity that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(v) *Incorporation by reference.* The Contractor’s representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.

(w) *Commercial supplier agreements–unenforceable clauses.* When any supply or service acquired under this contract is subject to a commercial supplier agreement (as defined in 502.101), the following language shall be deemed incorporated into the commercial supplier agreement. As used herein, “this agreement” means the commercial supplier agreement:

(1) Notwithstanding any other provision of this agreement, when the end user is an agency or instrumentality of the ordering activity, the following shall apply:

(i) *Applicability.* This agreement is a part of a contract between the commercial supplier and the ordering activity for the acquisition of the supply or service that necessitates a license or other similar legal instrument (*including all contracts, task orders, and delivery orders under FAR Part 12*).

(ii) *End user.* This agreement shall bind the ordering activity as end user but shall not operate to bind an ordering activity employee or person acting on behalf of the ordering activity in his or her personal capacity.

(iii) *Law and disputes.* This agreement is governed by Federal law.

(A) Any language purporting to subject the ordering activity to the laws of a U.S. state, U.S. territory, district, or municipality, or a foreign nation, except where Federal law expressly provides for the application of such laws, is hereby deleted.

(B) Any language requiring dispute resolution in a specific forum or venue that is different from that prescribed by applicable Federal law is hereby deleted.

(C) Any language prescribing a different time period for bringing an action than that prescribed by applicable Federal law in relation to a dispute is hereby deleted.

(iv) Continued performance. The supplier or licensor shall not unilaterally revoke, terminate or suspend any rights granted to the ordering activity except as allowed by this contract. If the supplier or licensor believes the ordering activity to be in breach of the agreement, it shall pursue its rights under the Contract Disputes Act or other applicable Federal statute while continuing performance as set forth in subparagraph (d) (Disputes).

(v) Arbitration; equitable or injunctive relief. In the event of a claim or dispute arising under or relating to this agreement, a binding arbitration shall not be used unless specifically authorized by agency guidance, and equitable or injunctive relief, including the award of attorney fees, costs or interest, may be awarded against the ordering activity only when explicitly provided by statute (e.g., Prompt Payment Act or Equal Access to Justice Act).

(vi) Updating terms.

(A) After award, the contractor may unilaterally revise commercial supplier agreement terms if they are not material. A material change is defined as:

- (1) Terms that change ordering activity rights or obligations;
- (2) Terms that increase ordering activity prices;
- (3) Terms that decrease overall level of service; or
- (4) Terms that limit any other ordering activity right addressed elsewhere in this contract.

(B) For revisions that will materially change the terms of the contract, the revised commercial supplier agreement must be incorporated into the contract using a bilateral modification.

(C) Any agreement terms or conditions unilaterally revised subsequent to award that are inconsistent with any material term or provision of this contract shall not be enforceable against the ordering activity, and the ordering activity shall not be deemed to have consented to them.

(vii) No automatic renewals. If any license or service tied to periodic payment is provided under this agreement (e.g., annual software maintenance or annual lease term), such license or service shall not renew automatically upon expiration of its current term without prior express consent by an authorized ordering activity representative.

(viii) Indemnification. Any clause of this agreement requiring the commercial supplier or licensor to defend or indemnify the end user is hereby amended to provide that the U.S. Department of Justice has the sole right to represent the United States in any such action, in accordance with 28 U.S.C. 516.

(ix) Audits. Any clause of this agreement permitting the commercial supplier or licensor to audit the end user's compliance with this agreement is hereby amended as follows:

(A) Discrepancies found in an audit may result in a charge by the commercial supplier or licensor to the ordering activity. Any resulting invoice must comply with the proper invoicing requirements specified in the underlying ordering activity contract or order.

(B) This charge, if disputed by the ordering activity, will be resolved in accordance with subparagraph (d) (Disputes); no payment obligation shall arise on the part of the ordering activity until the conclusion of the dispute process.

(C) Any audit requested by the contractor will be performed at the contractor's expense, without reimbursement by the ordering activity.

(x) Taxes or surcharges. Any taxes or surcharges which the commercial supplier or licensor seeks to pass along to the ordering activity as end user will be governed by the terms of the underlying ordering activity contract or order and, in any event, must be submitted to the Contracting Officer for a determination of applicability prior to invoicing unless specifically agreed to otherwise in the ordering activity contract.

(xi) Non-assignment. This agreement may not be assigned, nor may any rights or obligations thereunder be delegated, without the ordering activity's prior approval, except as expressly permitted under subparagraph (b) of this clause.

(xii) Confidential information. If this agreement includes a confidentiality clause, such clause is hereby amended to state that neither the agreement nor the contract price list, as applicable, shall be deemed "confidential information." Issues regarding release of "unit pricing" will be resolved consistent with the Freedom of Information Act. Notwithstanding anything in this agreement to the contrary, the ordering activity may retain any confidential information as required by law, regulation or its internal document retention procedures for legal, regulatory or compliance purposes; provided, however, that all such retained confidential information will continue to be subject to the confidentiality obligations of this agreement.

(2) If any language, provision, or clause of this agreement conflicts or is inconsistent with the preceding paragraph (w)(1), the language, provisions, or clause of paragraph (w)(1) shall prevail to the extent of such inconsistency.

**CI-FSS-151-N ADDITIONAL EVALUATION FACTORS FOR
AWARD TO NEW OFFERORS (OCT 2015)**

(a) The Government will consider award to a responsible offeror, whose offer conforms to all solicitation requirements, is determined technically acceptable, has acceptable past performance, and whose prices are determined fair and reasonable.

(1) Section I - Administrative/Contract Data:

Section I - Administrative/Contract Data will be evaluated for successful completion of all requirements outlined in provision SCP-FSS-001-N *Instructions Applicable to New Offerors* and,

as applicable, provisions SCP-FSS-002 *Specific Proposal Instructions for Services*, SCP-FSS-003 *Specific Proposal Instructions for Products*, SCP-FSS-004 *Specific Proposal Instructions for Schedule 70*, SCP-FSS-005 *Special Proposal Instructions for Products for Schedule 751*, and SCP-FSS-006 *Special Proposal Instructions for Products and Services for Schedule 23V*.

(2) Section II - Technical Proposal:

(i.) Section II - Technical Proposal will be reviewed, evaluated and rated acceptable or unacceptable based on the technical evaluation factors described in provision SCP-FSS-001-N and, as applicable, provisions SCP-FSS-002, 003, 004, 005, and 006 of the solicitation document. Award will be made on a SIN-by-SIN basis. A rating of “unacceptable” under any evaluation factor will result in an “unacceptable” rating overall for that SIN. Offers determined technically unacceptable for all proposed SINs will be rejected.

(ii.) Factor One - Corporate Experience: Failure to provide the information as described in provision SCP-FSS-001-N for Factor One will result in an “unacceptable” rating for that SIN. It must also demonstrate that the services proposed for each SIN are within the Scope of Work in Part I of this solicitation.

(iii.) Factor Two - Past Performance: Failure to provide information as described in Factor Two of provision SCP-FSS-001-N may result in an “unacceptable” rating for the Technical Proposal. The results of the Open Ratings Past Performance Evaluation will be considered, along with other information available to the contracting officer in determining the past performance rating of the offeror. The Government reserves the right to consider any other pertinent information that comes to the attention of the Government regarding the offeror’s past performance. The Government will consider the offeror’s performance in the following key areas: Overall Performance, Reliability, Cost, Order Accuracy, Delivery/Timeliness, Quality, Business Relations, Personnel, Customer Support, and Responsiveness. Those offerors demonstrating a pattern of consistent acceptable performance will receive an acceptable rating.

(iv.) Factor Three - Quality Control: Failure to provide the required information as described in Factor Three of provision SCP-FSS-001-N may result in an “unacceptable” rating for the Technical Proposal.

(v.) Factor Four - Relevant Project Experience: The offeror must submit the information described in Factor Four of provision SCP-FSS-002 and/or SCP-FSS-003 of the solicitation. For SCP-FSS-002, the offeror must also demonstrate the successful completion of orders that are of a similar or greater complexity to the orders described in the statement of work in Part I of the solicitation.

(vi.) Technical proposals that are unrealistic in terms of technical commitment, lack technical competence, or are indicative of failure to comprehend the complexities and risks of solicitation requirements will be rejected.

(3) Section III - Price Proposal:

(i.) Section III - Price Proposal will be evaluated for successful completion of all requirements outlined in provision SCP-FSS-001-N and, as applicable, provisions SCP-FSS-002, 003, 004, 005, and 006 of the Solicitation document. In order for the Section III - Pricing Proposal to be rated acceptable, the contracting officer must determine that the proposed pricing is fair, reasonable, and supportable, based on the submission of sufficient pricing information as outlined in provision SCP-FSS-001-N and, as applicable, provisions SCP-FSS-002, 003, 004, 005, and 006.

(ii.) The proposed pricing must be advantageous to the Government. If a price offered to GSA is not equal to or better than the price offered to the offeror's designated Most Favored Customer, the offeror must explain the rationale for proposing such a price in a manner sufficient to enable the contracting officer to determine that the rate is fair and reasonable. If the rates offered are not "equal to or lower than" the MFC, an acceptable justification must be provided.

(b) The Government reserves the right to award or reject without discussions. Therefore, the offeror's initial proposal should contain the best terms from a price and technical standpoint.

CI-FSS-151-S ADDITIONAL EVALUATION FACTORS FOR AWARD TO SUCCESSFUL FSS PROGRAM CONTRACTORS (OCT 2015)

(a) The Government will consider award to a responsible offeror, whose offer conforms to all solicitation requirements, is determined technically acceptable, has acceptable past performance, and whose prices are determined fair and reasonable.

(1) Section I - Administrative/Contract Data:

Section I - Administrative/Contract Data will be evaluated for successful completion of all requirements outlined in provision SCP-FSS-001-S *Instructions Applicable to Successful FSS Program Contractors* and, as applicable, provisions SCP-FSS-002 *Specific Proposal Instructions for Services*, SCP-FSS-003 *Specific Proposal Instructions for Products*, SCP-FSS-004 *Specific Proposal Instructions for Schedule 70*, SCP-FSS-005 *Special Proposal Instructions for Products for Schedule 751*, and SCP-FSS-006 *Special Proposal Instructions for Products and Services for Schedule 23V*.

(2) Section II - Technical Proposal:

(i.) Section II - Technical Proposal will be reviewed, evaluated and rated acceptable or unacceptable based on the two technical evaluation factors described in provision SCP-FSS-001-S and, as applicable, provisions SCP-FSS-002, 003, 004, 005, and 006 of the solicitation document. Award will be made on a SIN-by-SIN basis. A rating of "unacceptable" under any evaluation factor will result in an "unacceptable" rating overall for that SIN. Offers determined technically unacceptable for all proposed SINs will be rejected.

(ii.) Quality Control: Failure to provide the required information as described in Quality Control under provision SCP-FSS-001-S may result in an "unacceptable" rating for the Technical Proposal.

(iii.) Past Performance: The contracting officer will use the results of a search of known past performance information regarding the existing FSS contract, including but not limited to information in PPIRS along with any relevant past performance information provided by the offeror, to determine the past performance rating of the offeror. The

Government reserves the right to consider any other pertinent information that comes to the attention of the Government regarding the offeror's past performance. Those offerors demonstrating a pattern of satisfactory performance will receive an acceptable rating.

(iv.) Technical proposals that are unrealistic in terms of technical commitment, lack technical competence, or are indicative of failure to comprehend the complexities and risks of solicitation requirements will be rejected.

(3) Section III - Price Proposal:

(i.) Section III - Price Proposal will be evaluated for successful completion of all requirements outlined in provision SCP-FSS-001-S and, as applicable, provisions SCP-FSS-002, 003, 004, 005, and 006 of the solicitation document. In order for the Section III - Pricing Proposal to be rated acceptable, the contracting officer must determine that the proposed pricing is fair, reasonable, and supportable, based on the submission of sufficient pricing information as outlined in provision SCP-FSS-001-S and, as applicable, provisions SCP-FSS-002, 003, 004, 005, and 006.

(ii.) The proposed pricing must be advantageous to the Government. If a price offered to GSA is not equal to or better than the price offered to the offeror's designated Most Favored Customer, the offeror must explain the rationale for proposing such a price in a manner sufficient to enable the contracting officer to determine that the rate is fair and reasonable. If the rates offered are not "equal to or lower than" the MFC, an acceptable justification must be provided.

(b) The Government reserves the right to award or reject without discussions. Therefore, the offeror's initial proposal should contain the best terms from a price and technical standpoint.

(1) It is determined that exercising the option is advantageous to the Government considering price and the other factors covered in (2 through 4 below).

(2) The Contractor's electronic catalog/pricelist has been received, approved, posted, and kept current on GSA *Advantage!*[®] in accordance with clause I-FSS-600, Contract Price Lists.

For all modification requests, a conformed price list is required to be submitted along with all other pertinent documents. For example, if a vendor currently has a catalog count of 2,000 items and they are in the process of submitting a modification to add an additional 3000 items then two separate spreadsheets are required to be submitted to the respective Contracting Officer. One spreadsheet should list the additional 3,000 items that are in the process of being added while the second spreadsheet should be the conformed price list that includes all 5,000 items. Customer Agencies request conformed price lists from time to time and this will enable GSA to meet those requests in a timely manner.

I-FSS-599 ELECTRONIC COMMERCE—FACNET (FEB 2018)**(a) General Background.**

The Federal Acquisition Streamlining Act (FASA) of 1994 establishes the Federal Acquisition Computer Network (FACNET) requiring the Government to evolve its acquisition process from one driven by paperwork into an expedited process based on electronic commerce/electronic data interchange (EC/EDI). EC/EDI means more than merely automating manual processes and eliminating paper transactions. It can and will help to move business processes (e.g., procurement, finance, logistics, etc.) into a fully electronic environment and fundamentally change the way organizations operate.

(b) Trading Partners and Value-Added Networks (VAN's).

Within the FACNET architecture, electronic documents (e.g., orders, invoices, etc.) are carried between the Federal Government's procuring office and contractors (now known as "trading partners"). These transactions are carried by commercial telecommunications companies called Value-Added Networks (VAN's).

EDI can be done using commercially available hardware, software, and telecommunications. The selection of a VAN is a business decision contractors must make. There are many different VAN's which provide a variety of electronic services and different pricing strategies. If your VAN only provides communications services, you may also need a software translation package.

(c) Registration Instructions.

DOD will require Contractors to register as trading partners to do business with the Government. This policy can be reviewed via the INTERNET at http://www.defenselink.mil/releases/1999/b03011999_bt079-99.html.

To do EDI with the Government, Contractors must register as a trading partner. Contractors will provide regular business information, banking information, and EDI capabilities to all agencies in this single registration. A central repository of all trading partners, called the Central Contractor Registration (CCR) <http://www.ccr.gov/>, has been developed. All Government procuring offices and other interested parties will have access to this central repository. The database is structured to identify the types of data elements which are public information and those which are confidential and not releasable.

To register, contractors must provide their Dun and Bradstreet (DUNS) number. The DUNS number is available by calling 1(800)333-0505. It is provided and maintained free of charge and only takes a few minutes to obtain. Contractors will need to provide their Tax Identification Number (TIN). The TIN is assigned by the Internal Revenue Service by calling 1(800)829-1040. Contractors will also be required to provide information about company bank or financial institution for electronic funds transfer (EFT).

Contractors may register through on-line at <http://www.ccr.gov/> or through their Value Added Network (VAN) using an American National Standards Institute (ANSI) ASC X12 838 transaction set, called a "Trading Partner Profile." A transaction set is a standard format for moving electronic data. VAN's will be able to assist contractors with registration.

(d) Implementation Conventions.

All EDI transactions must comply with the Federal Implementation Conventions (IC's). Many VAN's and software providers have already built the IC requirements into their products. If you need to see the IC's, they are available on a registry maintained by the National Institute of Standards and Technology (NIST). It is accessible via the INTERNET at <http://www.itl.nist.gov/lab/csl-pubs.htm>. IC's are available for common business documents such as Purchase Order, Price Sales Catalog, Invoice, Request for Quotes, etc.

(e) Additional Information.

GSA has additional information available for vendors who are interested in starting to use EC/EDI. Contact the Contracting Officer for a copy of the latest handbook. Several resources are available to vendors to assist in implementing EC/EDI; specific addresses are available in the handbook or from the Contracting Officer:

- (1) Electronic Commerce Resource Centers (ECRC's) are a network of U.S. Government-sponsored centers that provide EC/EDI training and support to the contractor community. They are found in over a dozen locations around the country.
- (2) Procurement Technical Assistance Centers (PTAC's) and Small Business Development Centers (SBDC's) provide management assistance to small business owners. Each state has several locations.
- (3) Most major US cities have an EDI user group of companies who meet periodically to share information on EDI-related subjects.

(f) GSA *Advantage!*®

(1) GSA *Advantage!*® will use this FACNET system to receive catalogs, invoices and text messages; and to send purchase orders, application advice, and functional acknowledgments. GSA *Advantage!*® enables customers to:

- (i) Perform database searches across all contracts by manufacturer; manufacturer's model/part number; vendor; and generic product categories.
- (ii) Generate their own EDI delivery orders to contractors, generate EDI delivery orders from the Federal Supply Service to contractors, or download files to create their own delivery orders.
- (iii) Use the Federal IMPAC VISA.

(2) GSA *Advantage!*® may be accessed via the GSA Home Page. The INTERNET address is: <http://www.gsa.gov>.

(ii) Composing a price list in which only those items, terms, and conditions accepted by the Government are included, and which contain only net prices, based upon the commercial price list less discounts accepted by the Government. (b) The Government may cancel the contract in accordance with clause 552.238-73, Cancellation, unless reported sales are at the levels specified in paragraph (a) above.

I-FSS-644 DEALERS AND SUPPLIERS (OCT 1988)

When requested by the Contracting Officer, if other than the manufacturer, the offeror must submit prior to award of a contract, either (1) a letter of commitment from the manufacturer which will assure the offeror of a source of supply sufficient to satisfy the Government's requirements for the contract period, OR (2) evidence that the offeror will have an uninterrupted source of supply from which to satisfy the Government's requirements for the contract period.

I-FSS-646 BLANKET PURCHASE AGREEMENTS (MAY 2000)

Blanket Purchase Agreements (BPA's) can reduce costs and save time because individual orders and invoices are not required for each procurement but can instead be documented on a consolidated basis. The Contractor agrees to enter into BPA's with ordering activities provided that:

- (a) The period of time covered by such agreements shall not exceed the period of the contract including option year period(s);
- (b) Orders placed under such agreements shall be issued in accordance with all applicable regulations and the terms and conditions of the contract; and
- (c) BPAs may be established to obtain the maximum discount (lowest net price) available in those schedule contracts containing volume or quantity discount arrangements.

**I-FSS-969 ECONOMIC PRICE ADJUSTMENT—FSS MULTIPLE AWARD
SCHEDULE (OCT 2014)**

Price adjustments include price increases and price decreases. Adjustments will be considered as follows:

- (a) Contractors shall submit price decreases anytime during the contract period in which they occur. Price decreases will be handled in accordance with the provisions of the Price Reduction Clause.
- (b) There are two types of economic price adjustments (EPAs) possible under the Multiple Award Schedules (MAS) program for contracts not based on commercial catalogs or price lists as described below. Price adjustments may be effective on or after the first 12 months of the contract period on the following basis:
 - (1) Adjustments based on escalation rates negotiated prior to contract award. Normally, when escalation rates are negotiated, they result in a fixed price for the term of the contract. No separate contract modification will be provided when increases are based on negotiated escalation rates. Price increases will be effective on the 12-month anniversary date of the contract effective date, subject to paragraph (f), below.
 - (2) Adjustments based on an agreed-upon market indicator prior to award. The market indicator, as used in this clause, means the originally released public index, public survey or other public, based market indicator. The market indicator shall be the originally released index, survey or market indicator, not seasonally adjusted, published by the [to be negotiated], and made available at [to be identified]. Any price adjustment shall be based on the percentage change in the

designated (i.e. indicator identification and date) market indicator from the initial award to the latest available as of the anniversary date of the contract effective date, subject to paragraph (e), below. If the market indicator is discontinued or deemed no longer available or reliable by the Government, the Government and the Contractor will mutually agree to a substitute. The contract modification reflecting the price adjustment will be effective upon approval by the Contracting Officer, subject to paragraph (g), below. The adjusted prices shall apply to orders issued to the Contractor on or after the effective date of the contract modification.

(c) Notwithstanding the two economic price adjustments discussed above, the Government recognizes the potential impact of unforeseeable major changes in market conditions. For those cases where such changes do occur, the contracting officer will review requests to make adjustments, subject to the Government's examination of industry-wide market conditions and the conditions in paragraph (d) and (e), below. If adjustments are accepted, the contract will be modified accordingly. The determination of whether or not extra-ordinary circumstances exist rests with the contracting officer. The determination of an appropriate mechanism of adjustment will be subject to negotiations.

(d) Conditions of Price change requests under paragraphs b(2) and c above.:

(1) No more than three increases will be considered during each succeeding 12-month period of the contract. (For succeeding contract periods of less than 12 months, up to three increases will be considered subject to the other conditions of subparagraph (b)).

(2) Increases are requested before the last 60 days of the contract period, including options.

(3) At least 30 days elapse between requested increases.

(4) In any contract period during which price increases will be considered, the aggregate of the increases during any 12-month period shall not exceed 4 percent (4%) of the contract unit price in effect at the end of the preceding 12-month period. The Government reserves the right to raise the ceiling when market conditions during the contract period support such a change.

(e) The following material shall be submitted with request for a price increase under paragraphs b(2) and c above:

(1) A copy of the index, survey or pricing indicator showing the price increase and the effective date.

(2) Commercial Sales Practice format, per contract clause 52.215-21 Alternate IV, demonstrating the relationship of the Contractor's commercial pricing practice to the adjusted pricing proposed or a certification that no change has occurred in the data since completion of the initial negotiation or a subsequent submission.

(3) Any other documentation requested by the Contracting Officer to support the reasonableness of the price increase.

(f) The Government reserves the right to exercise one of the following options:

(1) Accept the Contractor's price increases as requested when all conditions of (b), (c), (d), and (e) of this clause are satisfied;

(2) Negotiate more favorable prices when the total increase requested is not supported; or,

(3) Decline the price increase when the request is not supported. The Contractor may remove the item(s) from contract involved pursuant to the Cancellation Clause of this contract.

(g) Effective Date of Increases: No price increase shall be effective until the Government receives the electronic file updates pursuant to GSAR 552.238-81, Modifications (Federal Supply Schedule).

(h) All MAS contracts remain subject to contract clauses GSAR 552.238-75, "Price Reductions"; and 552.215-72, "Price Adjustment -- Failure to Provide Accurate Information." In the event the application of an economic price adjustment results in a price less favorable to the Government than the price relationship established during negotiation between the MAS price and the price to the designated customer, the Government will maintain the price relationship to the designated customer.

Note: Regulation I-FSS-969

For all modification requests, a conformed price list is required to be submitted along with all other pertinent documents. For example, if a vendor currently has a catalog count of 2,000 items and they are in the process of submitting a modification to add an additional 3000 items then two separate spreadsheets are required to be submitted to the respective Contracting Officer. One spreadsheet should list the additional 3,000 items that are in the process of being added while the second spreadsheet should be the conformed price list that includes all 5,000 items. Customer Agencies request conformed price lists from time to time and this will enable GSA to meet those requests in a timely manner.

52.204-16 COMMERCIAL AND GOVERNMENT ENTITY CODE REPORTING (JUL 2016)

- (a) *Definition.* As used in this provision —

Commercial and Government Entity (CAGE) code means —

 - (2) An identifier assigned by a member of the North Atlantic Treaty Organization (NATO) or by the NATO Support and Procurement Agency (NSPA) to entities located outside the United States and its outlying areas that the DLA Commercial and Government Entity (CAGE) Branch records and maintains in the CAGE master file. This type of code is known as a NATO CAGE (NCAGE) code.
- (b) The Offeror shall enter its CAGE code in its offer with its name and address or otherwise include it prominently in its proposal. The CAGE code entered must be for that name and address. Enter "CAGE"

before the number. The CAGE code is required prior to award.

(c) CAGE codes may be obtained via —

(1) Registration in the System for Award Management (SAM) at www.sam.gov. If the Offeror is located in the United States or its outlying areas and does not already have a CAGE code assigned, the DLA Commercial and Government Entity (CAGE) Branch will assign a CAGE code as a part of the SAM registration process. SAM registrants located outside the United States and its outlying areas shall obtain a NCAGE code prior to registration in SAM (see paragraph (c)(3) of this provision).

(2) *The DLA Contractor and Government Entity (CAGE) Branch.* If registration in SAM is not required for the subject procurement, and the offeror does not otherwise register in SAM, an offeror located in the United States or its outlying areas may request that a CAGE code be assigned by submitting a request at <https://cage.dla.mil>.

(3) *The appropriate country codification bureau.* Entities located outside the United States and its outlying areas may obtain an NCAGE code by contacting the Codification Bureau in the foreign entity's country if that country is a member of NATO or a sponsored nation. 52.204-17 OWNERSHIP OR CONTROL OF OFFEROR (JUL 2016) 4.1804(a)

(a) *Definitions.* As used in this provision —

Commercial and Government Entity (CAGE) code means —

(1) An identifier assigned to entities located in the United States or its outlying areas by the Defense Logistics Agency (DLA) Commercial and Government Entity (CAGE) Branch to identify a commercial or government entity; or

(2) An identifier assigned by a member of the North Atlantic Treaty Organization (NATO) or by the NATO Support and Procurement Agency (NSPA) to entities located outside the United States and its outlying areas that the DLA Commercial and Government Entity (CAGE) Branch records and maintains in the CAGE master file. This type of code is known as a NATO CAGE (NCAGE) code.

Highest-level owner means the entity that owns or controls an immediate owner of the offeror, or that owns or controls one or more entities that control an immediate owner of the offeror. No entity owns or exercises control of the highest level owner.

Immediate owner means an entity, other than the offeror, that has direct control of the offeror. Indicators of control include, but are not limited to, one or more of the following: Ownership or interlocking management, identity of interests among family members, shared facilities and equipment, and the common use of employees.

(b) The Offeror represents that it _____ has or _____ does not have an immediate owner. If the Offeror has more than one immediate owner (such as a joint venture), then the Offeror shall respond to paragraph (c) and if applicable, paragraph (d) of this provision for each participant in the joint venture.

(c) If the Offeror indicates "has" in paragraph (b) of this provision, enter the following information:

Immediate owner CAGE code: _____

Immediate owner legal name: _____ (Do not use a "doing business as" name)

Is the immediate owner owned or controlled by another entity?: _____ Yes or _____ No.

(d) If the Offeror indicates "yes" in paragraph (c) of this provision, indicating that the immediate owner is owned or controlled by another entity, then enter the following information:

**52.209-5 CERTIFICATION REGARDING RESPONSIBILITY
MATTERS (OCT 2015)**

(a) (1) The Offeror certifies, to the best of its knowledge and belief, that-

(i) The Offeror and/or any of its Principals-

(A) Are _____ are not _____ presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have _____ have not _____, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property (if offeror checks "have", the offeror shall also see 52.209-7, if included in this solicitation); and

(C) Are _____ are not _____ presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(1)(i)(B) of this provision; and

(D) Have _____ have not _____, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500

for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) *Examples.*

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Offeror has ____ has not ____, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal Agency.

(2) "Principal," for the purposes of this certification, means an officer; director; owner; partner; or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division or business segment; and similar positions).

This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious, or fraudulent certification may render the maker subject to

prosecution under section 1001, title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealing.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

**52.209-7 INFORMATION REGARDING RESPONSIBILITY
MATTERS (JUL 2013)**

(a) *Definitions.* As used in this provision —

Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative Proceedings, Civilian Board of Contract Appeals Proceedings, and Armed Services Board of Contract Appeals Proceedings). This includes administrative proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include agency actions such as contract audits, site visits, corrective plans, or inspection of deliverables.

Federal contracts and grants with total value greater than \$10,000,000 means —

(1) The total value of all current, active contracts and grants, including all priced options; and

(2) The total value of all current, active orders including all priced options under indefinite-delivery, indefinite-quantity, 8(a), or requirements contracts (including task and delivery and multiple-award Schedules).

Principal means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division or business segment; and similar positions).

(b) The offeror ____ has ____ does not have current active Federal contracts and grants with total value greater than \$10,000,000.

(c) If the offeror checked “has” in paragraph (b) of this provision, the offeror represents, by submission of this offer, that the information it has entered in the Federal Awardee Performance and Integrity Information System (FAPIIS) is current, accurate, and complete as of the date of submission of this offer with regard to the following information:

(1) Whether the offeror, and/or any of its principals, has or has not, within the last five years, in connection with the award to or performance by the offeror of a Federal contract or grant, been the subject of a proceeding, at the Federal or State level that resulted in any of the following dispositions:

(i) In a criminal proceeding, a conviction.

(ii) In a civil proceeding, a finding of fault and liability that results in the payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more.

(iii) In an administrative proceeding, a finding of fault and liability that results in —

(A) The payment of a monetary fine or penalty of \$5,000 or more; or

(B) The payment of a reimbursement, restitution, or damages in excess of \$100,000.

(iv) In a criminal, civil, or administrative proceeding, a disposition of the matter by consent or compromise with an acknowledgment of fault by the Contractor if the proceeding could have led to any of the outcomes specified in paragraphs (c)(1)(i), (c)(1)(ii), or (c)(1)(iii) of this provision.

(2) If the offeror has been involved in the last five years in any of the occurrences listed in (c)(1) of this provision, whether the offeror has provided the requested information with regard to each occurrence.

(d) The offeror shall post the information in paragraphs (c)(1)(i) through (c)(1)(iv) of this provision in FAPIIS as required through maintaining an active registration in System for Award Management database via <https://www.acquisition.gov> (see 52.204-7).

52.222-46 EVALUATION OF COMPENSATION FOR PROFESSIONAL EMPLOYEES (FEB 1993)

(a) Recompensation of service contracts may in some cases result in lowering the compensation (salaries and fringe benefits) paid or furnished professional employees. This lowering can be detrimental in obtaining the quality of professional services needed for adequate contract performance. It is therefore in the Government's best interest that professional employees, as defined in 29 CFR 541, be properly and fairly compensated. As part of their proposals, offerors will submit a total compensation plan setting forth salaries and fringe benefits proposed for the professional employees who will work under the contract. The Government will evaluate the plan to assure that it reflects a sound management approach and understanding of the contract requirements. This evaluation will include an assessment of the offeror's ability to provide uninterrupted high-quality work. The professional compensation proposed will be considered in terms of its impact upon recruiting and retention, its realism, and its consistency with a total plan for compensation. Supporting information will include data, such as recognized national and regional compensation surveys and studies of professional, public and private

organizations, used in establishing the total compensation structure.

(b) The compensation levels proposed should reflect a clear understanding of work to be performed and should indicate the capability of the proposed compensation structure to obtain and keep suitably qualified personnel to meet mission objectives. The salary rates or ranges must take into account differences in skills, the complexity of various disciplines, and professional job difficulty. Additionally, proposals envisioning compensation levels lower than those of predecessor contractors for the same work will be evaluated on the basis of maintaining program continuity, uninterrupted high-quality work, and availability of required competent professional service employees. Offerors are cautioned that lowered compensation for essentially the same professional work may indicate lack of sound management judgment and lack of understanding of the requirement.

(c) The Government is concerned with the quality and stability of the work force to be employed on this contract. Professional compensation that is unrealistically low or not in reasonable relationship to the various job categories, since it may impair the Contractor's ability to attract and retain competent professional service employees, may be viewed as evidence of failure to comprehend the complexity of the contract requirements.

(d) Failure to comply with these provisions may constitute sufficient cause to justify rejection of a proposal.

**52.222-48 EXEMPTION FROM APPLICATION OF THE SERVICE
CONTRACT LABOR STANDARDS TO CONTRACTS FOR
MAINTENANCE, CALIBRATION, OR REPAIR OF CERTAIN
EQUIPMENT CERTIFICATION (MAY 2014)**

(a) The offeror shall check the following certification:

CERTIFICATION

The offeror _____ does _____ does not certify that--

(1) The items of equipment to be serviced under this contract are used regularly for other than Government purposes, and are sold or traded by the offeror (or subcontractor in the case of an exempt subcontractor) in substantial quantities to the general public in the course of normal business operations;

(2) The services will be furnished at prices which are, or are based on, established catalog or market prices for the maintenance, calibration, or repair of equipment.

(i) An "established catalog price" is a price included in a catalog, price list, schedule, or other form that is regularly maintained by the manufacturer or the offeror, is either published or otherwise available for inspection by customers, and states prices at which sales currently, or were last, made to a significant number of buyers constituting the general public.

(ii) An "established market price" is a current price, established in the usual course of trade between buyers and sellers free to bargain, which can be substantiated from sources independent of the manufacturer or offeror; and

(3) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract are the same as that used for these employees and equivalent employees servicing the same equipment of commercial customers.

(b) Certification by the offeror as to its compliance with respect to the contract also constitutes its

certification as to compliance by its subcontractor if it subcontracts out the exempt services. If the offeror certifies to the conditions in paragraph (a) of this provision, and the Contracting Officer determines in accordance with FAR 22.1003-4(c)(3) that the Service Contract Labor Standards statute —

(1) Will not apply to this offeror, then the Service Contract Labor Standards clause in this solicitation will not be included in any resultant contract to this offeror; or

(2) Will apply to this offeror, then the clause at 52.222-51, Exemption from Application of the Service Contract Labor Standards to Contracts for Maintenance, Calibration, or Repair of Certain Equipment—Requirements, in this solicitation will not be included in any resultant contract awarded to this offeror, and the offeror may be provided an opportunity to submit a new offer on that basis.

(c) If the offeror does not certify to the conditions in paragraph (a) of this provision--

(1) The clause in this solicitation at 52.222-51, Exemption from Application of the Service Contract Labor Standards to Contracts for Maintenance, Calibration, or Repair of Certain Equipment—Requirements, will not be included in any resultant contract awarded to this offeror; and

(2) The offeror shall notify the Contracting Officer as soon as possible, if the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation.

(d) The Contracting Officer may not make an award to the offeror, if the offeror fails to execute the certification in paragraph (a) of this provision or to contact the Contracting Officer as required in paragraph (c) of this provision.

**52.237-10 IDENTIFICATION OF UNCOMPENSATED OVERTIME
(MAR 2015)**

(a) *Definitions.* As used in this provision —

Adjusted hourly rate (including uncompensated overtime) is the rate that results from multiplying the hourly rate for a 40-hour work week by 40, and then dividing by the proposed hours per week which

includes uncompensated overtime hours over and above the standard 40-hour work week. For example, 45 hours proposed on a 40-hour work week basis at \$20 per hour would be converted to an uncompensated overtime rate of \$17.78 per hour ($\20.00×40 divided by $45 = \$17.78$).

Uncompensated overtime means the hours worked without additional compensation in excess of an average of 40 hours per week by direct charge employees who are exempt from the Fair Labor Standards Act. Compensated personal absences such as holidays, vacations, and sick leave shall be included in the normal work week for purposes of computing uncompensated overtime hours.

- (b) (1) Whenever there is uncompensated overtime, the adjusted hourly rate (including uncompensated overtime), rather than the hourly rate, shall be applied to all proposed hours, whether regular or overtime hours.

(2) All proposed labor hours subject to the adjusted hourly rate (including uncompensated overtime) shall be identified as either regular or overtime hours, by labor categories, and described at the same level of detail. This is applicable to all proposals whether the labor hours are at the prime or subcontract level. This includes uncompensated overtime hours that are in indirect cost pools for personnel whose regular hours are normally charged direct.
- (c) The offeror's accounting practices used to estimate uncompensated overtime must be consistent with its cost accounting practices used to accumulate and report uncompensated overtime hours.
- (d) Proposals that include unrealistically low labor rates, or that do not otherwise demonstrate cost realism, will be considered in a risk assessment and will be evaluated for award in accordance with that assessment.
- (e) The offeror shall include a copy of its policy addressing uncompensated overtime with its proposal.

The offeror shall indicate below the payment address to which checks should be mailed for payment of proper invoices submitted under a resultant contract.

PAYMENT ADDRESS

(b) Offeror shall furnish by attachment to this solicitation, the remittance (payment) addresses of all authorized participating dealers receiving orders and accepting payment by check in the name of the Contractor in care of the dealer, if different from their ordering address(es) specified elsewhere in this solicitation. If a dealer's ordering and remittance address differ, both must be furnished and identified as such.

(c) All offerors are cautioned that if the remittance (payment) address shown on an actual invoice differs from that shown in paragraph (b) of this provision or on the attachment, the remittance address(es) in paragraph (b) of this provision or attached will govern. Payment to any other address, except as provided for through EFT payment methods, will require an administrative change to the contract.

By providing a selection of comparable supplies or services, ordering activities are afforded the opportunity to fulfill their requirements with the item(s) that constitute the best value and that meet their needs at the lowest overall cost.

(b) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. - (4) _____ Have, _____ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212,

which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. § 362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). DOES NOT (1) Maintenance, calibration, or repair of certain equipment as described in FAR 22.1003-4(c)(1). The offeror _____ does _____ does not certify that —

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies —
